

Rubella Vaccine Waiver

Part 1: To be completed by the student

Last Name: _____ First Name: _____

ID Number: _____ USF E-mail: _____

I have been given the opportunity to be vaccinated with the Rubella vaccine and wish to declare the following as cause for my exemption, by checking "yes" to the applicable statement:

Part 2: To be completed by the Healthcare Provider

Questions	Yes	No
1. Does the student have a life-threatening allergy to the antibiotic neomycin?		
2. Does the student have a life-threatening allergy to any component of the vaccine?		
3. Does the student have previous history of adverse reactions to the MMR or MMRV vaccine? <i>Please specify: _____/_____/_____</i>		
4. Is the student receiving immunosuppressive drug therapy?		
5. Is the student pregnant?		
6. Does the student have any kind of cancer?		
7. Is the student being treated for cancer with radiation or drugs?		
8. Has the student ever had a low platelet count?		
9. Has the student recently had a transfusion or received other blood products?		
10. The student has received his/her first MMR or MMRV vaccination followed by a negative titer for Rubella. The student has received his/her second MMR or MMRV vaccination followed by a second negative titer for Rubella.		

IF YOU ANSWERED YES TO ANY OF QUESTIONS 1 THRU 10, PROCEED TO WAIVER OF VACCINE SECTION.

WAIVER OF VACCINATION

WAIVER OF VACCINE – Complete if not eligible to receive vaccine or have no positive titer to the virus.

- I am not eligible to receive the MMR or MMRV vaccine based on my medical history (questions 1-9).
- I have received two MMR or MMRV vaccination series and have *not* developed a positive titer to Rubella.

I am not eligible to receive the MMR or MMRV vaccine or have not developed immunity to Rubella, and I understand my risk and responsibility. I hereby release, hold harmless, and agree to indemnify the University of San Francisco, its staff, and clinical sites from any and all responsibility or consequences which may result from my lack of immunity to the Rubella vaccine. I can access a copy, MMR VACCINE – WHAT YOU NEED TO KNOW, a vaccine information statement developed by the U.S. Department of Health and Human Services (Centers for Disease Control and Prevention) for detailed information regarding this virus. Further, I understand that my lack of immunity to the Rubella virus may result in the refusal of a clinical placement based on individual clinical partnership contracts.
