Payment Due Dates

Fall  August 1
Spring January 2
Summer May 1

Deadline for payment or enrollment in the USF payment plan is due by these dates. Please note that failure to do so may result in cancellation of course registration.

View & Pay

usfca.edu/pay

View & Pay offers students easy access to view bills and account activity, make payments, and enroll in the USF payment plan. Students may also create authorized user profiles for parents, spouses, and employers.

Mobile access and SMS text notifications are available for students, authorized payers, and guest payers.

Health Insurance

usfca.edu/hps

USF students are required to have health insurance and are automatically enrolled in the University-sponsored health insurance plan. Students may waive this requirement if able to prove coverage equal to or better under a United States-domiciled health insurance company.

September 1, 2015 is the last day to waive out of the insurance plan for Fall 2015.

International students must complete the waiver process in person at the Health Promotion Services office, located on the Fifth Floor of the University Center.

Student Checklist

New USF Students

☑ Complete the Student Consent to Release Information Authorization
  usfca.edu/studentconsent
