INTRODUCTION

Thank you for participating in the University of San Francisco's (USF) Alumni Outcomes Survey. USF is committed to continuously improving the education experience of its students. As a graduate of USF, the feedback that you provide will shape the future of USF.

This survey is around 25 questions depending on how you answer. You should plan to spend about 10 minutes of your time completing this survey. Your participation is voluntary, but broad and complete participation will greatly increase the usefulness of this survey. Your responses are confidential. The data will only be reported in the aggregate and used for internal purposes. No identifying information will be reported.

You will have the opportunity to choose to be entered in the raffle. Raffle winners will be awarded their prizes within one business day of the survey's closure.
