* Traditional Undergraduate Transfer Students Only

** As of Census Date (mid-September each Fall semester)

*** The percentages are calculated as follows: The number of applicants admitted is divided by the total number of applicants to produce the acceptance rate. Then the number of students actually enrolled is divided by the total number of applicants admitted to produce the yield rate.

Table 1.4: Admission by Race/Ethnicity (Graduate Students)

These data are for: X Fall Terms Only* Full Year (Annualized)
