Alcohol Policy for Student-Sponsored Events

In accordance with Section 6.2(A) of the University of San Francisco Non-Academic Student Conduct Code, alcohol shall not be permitted at any student-sponsored events held on campus at the University of San Francisco School of Law. However, alcohol may be served at a student-sponsored event if one of the following exceptions applies.

1. The Office of Career Planning is co-sponsoring the event with a Student Organization, and the Student Organization has complied with the requirements and guidelines outlined by the Office of Career Planning.

2. A School of Law faculty member or staff member has agreed to supervise the event. Supervision requires the faculty member or staff member to:
   a. receive express permission from the Assistant Dean for Student Affairs to serve alcohol at the student event;
   b. oversee the event set-up and clean-up;
   c. remain in the event space where the alcohol is being served for the duration of the event;
   d. supervise the alcohol service to ensure responsible alcohol consumption; and
   e. ensure that any unused alcohol, which has been donated or purchased, is stored at the School of Law for a future event for that Student Organization.

A student who plans to serve alcohol or actually serves alcohol at an event not in accordance with this policy may be in violation of the University of San Francisco Non-Academic Student Conduct Code and may be subject to sanctions.
