**Denim Day - Wednesday, April 25th, 2018**

**Sexual Assault Awareness Month**  
Why We Wear Denim: Denim Day was sparked by a 1998 Italian Supreme Court ruling where a rape conviction was overturned because a survivor was wearing tight jeans. The following day, the women in the Italian parliament came to work wearing jeans in solidarity with the survivor. Denim has become a symbol of protest against erroneous and destructive attitudes about sexual assault. Wear Denim on April 25th to change the culture.

**Pro Bono Student of the Month:**

Angelica Preciado

Angelica has dedicated over 85 hours of pro bono services during her 1L year including providing legal information to clients on their legal rights in the workplace and how to enforce those rights.

"I believe service is an essential component of my education because it challenges me to apply what I am learning in the classroom to real-world situations. It also reminds me of why I want to be an attorney and that is so that I can give back to the predominantly Latinx/migrant community that I grew up in. To me, pro bono work is an essential component of a true Jesuit education and my own personal act of self-sustainability. Through pro bono work, I practice the skills needed to truly engage in social justice lawyering and I am reminded of why I came to law school."
Open Door Legal

Open Door Legal is in need of Mandarin speakers to work pro bono on translations for their clients. Open Door Legal is a legal services organization started by two USF alums over 5 years ago. The organization is pioneering the country’s first system of universal access to civil representation and showing that when everyone has access to the law, poverty can be dramatically reduced. No prior translation experience is needed. The work can all be done electronically so there is flexibility in the time commitment. Contact probono@usfca.edu if you are interested in getting involved.

The FAFSA should be completed as soon as possible but no later than March 1, 2018 in order to receive the maximum financial aid consideration for 2018-19 (this date is especially important for those continuing students who wish to be considered for the Federal Work Study award). You can access the FAFSA online at www.fafsa.ed.gov. Our Title IV code is 001325 and must be included in your FAFSA application.

The University Financial Aid Office will begin downloading 2018-19 FAFSA information for continuing USF students in mid-March. If you recently completed a 2018-19 FAFSA, we will not be able to verify receipt of your 2018-19 FAFSA until that time.

In addition to completing a new FAFSA, those students who wish to be considered for the Graduate PLUS loan program for the Fall 2018 & Spring 2019 academic year, must also complete a new PLUS loan application for each academic year. Graduate PLUS loan applications for the 2018-19 academic year are available online.
