| Application Deadline      | Applying to study abroad for a semester is a two-step process. You should plan to apply at the beginning of the Fall semester of your Sophomore year.  
                      1. Students must meet with a Study Abroad Advisor and complete a USF Study Abroad Pre-application for their program of choice and an alternate through the Center for Global Education's website. Pre-Applications completed by the Dec 1st deadline will be reviewed and students will be notified of their program nomination by the 3rd week of January.  
                      2. Accepted students can then apply for their nominated program. Students are responsible for submitting the host program's application and required documentation by the program's deadline. Please note that nomination by USF does not guarantee acceptance by the host program. |
