CONVERSION PRIVILEGE

1. If the Covered Person's insurance or any portion of it ends for any of the following reasons:
 - a. employment or membership ends;
 - b. eligibility ends (except for age for the Employee or Covered Spouse);the Covered Person may have Us issue converted accident insurance on an individual policy or an individual certificate under a designated group policy. The Covered Person may apply for an amount of coverage that is:
 - a. in \$1,000 increments;
 - b. not less than \$25,000, regardless of the amount of insurance under the group policy; and
 - c. not more than the amount of insurance he had under the group policy, except as provided above, up to a maximum amount of \$250,000.

The Covered Person must be under age 70 to get a converted policy.

If the Covered Person's insurance or any portion of it ends for non-payment of premium, he may not convert. If the Covered Person's insurance ends for a reason described in 2. below, conversion is subject to that section.

The converted policy or certificate will cover accidental death and dismemberment. The policy or certificate will not contain disability or other additional benefits. The Covered Person need not show Us that he is insurable.

If the Covered Person has converted his group coverage and later becomes insured under the same group plan as before, he may not convert a second time unless he provides, at his own expense, proof of insurability or proof the prior converted policy is no longer in force.

The Covered Person must apply for the individual policy within 31 days after his coverage under this Group Policy ends and pay the required premium, based on Our table of rates for such policies, his Age and class of risk. If the Covered Person has assigned ownership of his group coverage, the owner/assignee must apply for the individual policy.

If the Covered Person suffers a Covered Loss or dies during this 31-day period as the result of an accident that would have been covered under this Group Policy, We will pay as a claim under this Group Policy the amount of insurance that the Covered Person was entitled to convert. It does not matter whether the Covered Person applied for the individual policy or certificate. If such policy or certificate is issued, it will be in exchange for any other benefits under this Group Policy.

The individual policy or certificate will take effect on the day following the date coverage under the Group Policy ended; or, if later, the date application is made.

Exclusions

The converted policy may exclude the hazards or conditions that apply to the Covered Person's group coverage at the time it ends. We will reduce payment under the converted policy by the amount of any benefits paid under the group policy if both cover the same loss.

2. If the Covered Person's insurance ends because this Group Policy is terminated or is amended to terminate insurance for the Covered Person's class, and he has been covered under this Group Policy or, any group accident insurance issued to the Employer which the Group Policy replaced, for at least five years, the Covered Person may have Us issue an individual policy or certificate of accident insurance subject to the same terms, conditions and limitations listed above. However, the amount he may apply for will be limited to the lesser of the following:
 - a. coverage under this Group Policy less any amount of group accident insurance for which he is eligible on the date this Group Policy is terminated or for which he became eligible within 31 days of such termination, or
 - b. \$10,000.

Extension of Conversion Period

If the Covered Person is eligible to convert and is not notified of this right at least 15 days prior to the end of the 31 day conversion period, the conversion period will be extended. The Covered Person will have 15 days from the date notice is given to apply for a converted policy or certificate. In no event will the conversion period be extended beyond 90 days. Notice, for the purpose of this section, means written notice presented to the Covered Person by the Subscriber or mailed to the Covered Person's last known address as reported by the Subscriber.

If the Covered Person sustains a Covered Loss or dies during the extended conversion period, but more than 31 days after his coverage under the Group Policy terminates, benefits will not be paid under the Group Policy. If the Covered Person's application for a converted policy or certificate is received by Us and the required premium is paid, benefits may be payable under the converted policy or certificate.

CLAIM PROVISIONS

Notice of Claim

Written or authorized electronic/telephonic notice of claim must be given to Us within 31 days after a Covered Loss occurs or begins or as soon as reasonably possible. If written or authorized electronic/telephonic notice is not given in that time, the claim will not be invalidated or reduced if it is shown that written or authorized electronic/telephonic notice was given as soon as was reasonably possible. Notice can be given to Us at Our Home Office in Philadelphia, Pennsylvania, such other place as We may designate for the purpose, or to Our authorized agent. Notice should include the Subscriber's name and policy number and the Covered Person's name, address, policy and certificate number.

Claim Forms

We will send claim forms for filing proof of loss when We receive notice of a claim. If such forms are not sent within 15 days after We receive notice, the proof requirements will be met by submitting, within the time fixed in this Policy for filing proof of loss, written or authorized electronic proof of the nature and extent of the loss for which the claim is made.

Claimant Cooperation Provision

Failure of a claimant to cooperate with Us in the administration of the claim may result in termination of the claim. Such cooperation includes, but is not limited to, providing any information or documents needed to determine whether benefits are payable or the actual benefit amount due.

Proof of Loss

Written or authorized electronic proof of loss satisfactory to Us must be given to Us at Our office, within 90 days of the loss for which claim is made. If (a) benefits are payable as periodic payments and (b) each payment is contingent upon continuing loss, then proof of loss must be submitted within 90 days after the termination of each period for which We are liable. If written or authorized electronic notice is not given within that time, no claim will be invalidated or reduced if it is shown that such notice was given as soon as reasonably possible. In any case, written or authorized electronic proof must be given not more than one year after the time it is otherwise required, except if proof is not given solely due to the lack of legal capacity.

Time of Payment of Claims

We will pay benefits due under this Policy for any loss other than a loss for which this Policy provides any periodic payment immediately upon receipt of due written or authorized electronic proof of such loss. Subject to due written or authorized electronic proof of loss, all accrued benefits for loss for which this Policy provides periodic payment will be paid monthly unless otherwise specified in the benefits descriptions and any balance remaining unpaid at the termination of liability will be paid immediately upon receipt of proof satisfactory to Us.

Payment of Claims

All benefits will be paid in United States currency. Benefits for loss of life will be payable in accordance with the *Beneficiary* provision and these Claim Provisions. All other proceeds payable under this Policy, unless otherwise stated, will be payable to the covered Employee or to his estate.

If We are to pay benefits to the estate or to a person who is incapable of giving a valid release, We may pay \$1,000 to a relative by blood or marriage whom We believe is equitably entitled. Any payment made by Us in good faith pursuant to this provision will fully discharge Us to the extent of such payment and release Us from all liability.

Physical Examination and Autopsy

GENERAL PROVISIONS

We will refund premiums paid for the others for any period of time that more than one certificate was issued.

We will be bound by an assignment of a Covered Person's insurance under this Policy only when the original assignment or a certified copy of the assignment, signed by the Covered Person and any irrevocable beneficiary, is filed with Us. Incontestability of Your, Your Spouse's and/or Dependent Child's Insurance

All statements made by You, Your Spouse and/or Dependent Children are considered representations and not warranties. After two years from Your, Your Spouse's and/or Dependent Child's effective date of insurance, or from the effective date of increased benefits, no such statement will cause insurance or the increased benefits to be contested except for fraud or lack of eligibility for insurance.

In the event of death or incapacity, the beneficiary or representative shall be given a copy.

Clerical Error

Insurance for You, Your Spouse and/or Dependent Children will not be affected by error or delay in keeping records of insurance under this Policy. If such error or delay is found, We will adjust the premium fairly.

WHAT YOU SHOULD DO AND EXPECT IF YOU HAVE A CLAIM

When you are eligible to receive benefits under the Plan, you must request a claim form or obtain instructions for submitting your claim telephonically or electronically, from the Plan Administrator. All claims you submit must be on the claim form or in the electronic or telephonic format provided by the Insurance Company. You must complete your claim according to directions provided by the Insurance Company. If these forms or instructions are not available, you must provide a written statement of proof of loss. After you have completed the claim form or written statement, you must submit it to the Plan Administrator.

The Plan Administrator has appointed the Insurance Company as the named fiduciary for adjudicating claims for benefits under the Plan, and for deciding any appeals of denied claims. The Insurance Company shall have the authority, in its discretion, to interpret the terms of the Plan, to decide questions of eligibility for coverage or benefits under the Plan, and to make any related findings of fact. All decisions made by the Insurance Company shall be final and binding on Participants and Beneficiaries to the full extent permitted by law.

The Insurance Company has 45 days from the date it receives your claim for disability benefits, or 90 days from the date it receives a claim for any other benefit, to determine whether or not benefits are payable to you in accordance with the terms and provisions of the Policy. The Insurance Company may require more time to review your claim if necessary due to circumstances beyond its control. If this should happen, the Insurance Company must notify you in writing that its review period has been extended for up to two additional periods of 30 days (in the case of a claim for disability benefits), or one additional period of 90 days (in case of any other benefit). If this extension is made because you must furnish additional information, these extension periods will begin when the additional information is received. You have up to 45 days to furnish the requested information.

During the review period, the Insurance Company may require a medical examination of the Insured, at its own expense; or additional information regarding the claim. If a medical examination is required, the Insurance Company will notify you of the date and time of the examination and the physician's name and location. It is important that you keep any appointments made since rescheduling examinations will delay the claim process. If additional information is required, the Insurance Company must notify you, in writing, stating the information needed and explaining why it is needed.

If your claim is approved, you will receive the appropriate benefit from the Insurance Company.

If your claim is denied, in whole or in part, you must receive a written notice from the Insurance Company within the review period. The Insurance Company's written notice must include the following information:

1. The specific reason(s) the claim was denied.
2. Specific reference to the Policy provision(s) on which the denial was based.
3. Any additional information required for your claim to be reconsidered, and the reason this information is necessary.
4. In the case of any claim for a disability benefit, identification of any internal rule, guideline or protocol relied on in making the claim decision, and an explanation of any medically-related exclusion or limitation involved in the decision.
5. A statement informing you of your right to appeal the decision, and an explanation of the appeal procedure, including a statement of your right to bring a civil action under Section 502(a) of ERISA if your appeal is denied.

Appeal Procedure for Denied Claims

Whenever a claim is denied, you have the right to appeal the decision. You (or your duly authorized representative) must make a written request for appeal to the Insurance Company within 60 days (180 days in the case of any claim for disability benefits) from the date you receive the denial. If you do not make this request within that time, you will have waived your right to appeal.

Once your request has been received by the Insurance Company, a prompt and complete review of your claim must take place. This review will give no deference to the original claim decision, and will not be made by the person who made the initial claim decision. During the review, you (or your duly authorized representative) have the right to review any documents that have a bearing on the claim, including the documents which establish and control the Plan. Any medical or vocational experts consulted by the Insurance Company will be identified. You may also submit issues and comments that you feel might affect the outcome of the review.

The Insurance Company has 60 days from the date it receives your request to review your claim and notify you of its decision (45 days, in the case of any claim for disability benefits). Under special circumstances, the Insurance Company may require more time to review your claim. If this should happen, the Insurance Company must notify you, in writing, that its review period has been extended for an additional 60 days (or 45 days, in the case of any claim for disability benefits). Once its review is complete, the Insurance Company must notify you, in writing, of the results of the review and indicate the Plan provisions upon which it based its decision.

YOUR RIGHTS AS SET FORTH BY ERISA

As a participant in University of San Francisco's Insurance Plan you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all plan participants shall be entitled to:

Receive Information About Your Plan and Benefits

Examine, without charge, at the plan administrator's office and at other specified locations, such as worksites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefit Security Administration.

Obtain, upon written request to the plan administrator, copies of documents governing the operation of the plan, including insurance contracts and collective bargaining agreements, and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The administrator may make a reasonable charge for the copies.

Receive a summary of the plan's annual financial report. The plan administrator is required by law to furnish each participant with a copy of this summary annual report.

Prudent Actions by Plan Fiduciaries

In addition to creating rights for plan participants ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate your plan, called "fiduciaries" of the plan, have a duty to do so prudently and in the interest of you and other plan participants and beneficiaries. No one, including your employer, your union, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

Enforce Your Rights

If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the plan and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the plan administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or Federal court. If it should happen that plan fiduciaries misuse the plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

Assistance with Your Questions

If you have any questions about your plan, you should contact the plan administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the plan administrator, you should contact the nearest office of the Employee Benefit Security Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefit Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefit Security Administration.
