FLY: Fresh Lifelines for Youth

FLY is currently accepting Spring 2018 volunteer applications for those interested in teaching at-risk high school students about the laws and their rights. **No prior teaching experience is required!** This is a great opportunity for anyone interested in law, youth development, education, or simply anyone enthusiastic about giving back to young people. In addition, this opportunity is great for students who are interested in working closely with a predominately African American and/or Latino population.

FLY requires all volunteers commit to teach for a semester (12 weeks), typically 2 hours, once a week, at one of our Alameda County sites. Our sites range from during the school day to after school, and we always place students at sites that align with their schedule. Students will also complete 36 hours of training, which can be counted as a part of pro bono hours. The commitment totals around 90 hours per semester, and is perfect for all law students.

To apply to volunteer check out their [website](#) for more information.

Pro Bono Relief for the Victims of the Northern California

The California State Bar, a number of local bar associations, and other nonprofits and law firms are setting up a legal advice hotline that will be based in downtown SF and will offer brief legal advice on issues ranging from landlord-tenant, insurance issues, and FEMA benefits to employment and immigration. The hotline will be staffed with volunteer attorneys from 4-8 pm Monday-Thursday.

All law students are welcomed, but language skills are especially useful!

In addition, volunteers will be needed to staff Disaster Recovery Centers in Sonoma and Napa, and possibly Solano – these DRC's are centralized locations that will offer one-stop resources for survivors of the fire, set up by local, state or federal authorities.

Attorneys working in these centers will offer brief advice and help complete forms (largely FEMA benefits applications or insurance forms).

Please sign up to help with the hotline and indicate your other volunteer interests by using this link: <https://www.surveymonkey.com/r/JVZPFQG>

Admissions & Financial Aid

Applying for Financial Aid for the Fall 2017/Spring 2018

If you have not yet applied for financial aid you can still apply at any time through April 1, 2018. If you have already made a

personal payment to your USF student account to pay for your fall or your spring bill, you can use federal loan aid to reimburse you for your personal payment.

In order to apply for financial aid, you must complete the Free Application for Federal Student Aid or FAFSA, for the Fall 2017 & Spring 2018 academic year. It is available online at www.fafsa.ed.gov. You must list USF's Title IV code in your FAFSA application, which is 001325.

FAFSA processing can take up to 5-7 business days. Once USF receives your completed FAFSA and completes your financial aid award process, you will be sent an email notification at that time by the University One Stop Financial Aid Office indicating that you can review your financial aid award online via your myUSF online student portal.

Important Financial Aid information, documents and dates for the upcoming Fall 2017/Spring 2018 academic year can be found online at:

<https://www.usfca.edu/law/admissions/tuition-aid/jd/deadlines-documents>

Spring 2018 Tuition Billing Notice

Spring 2018 tuition payment is due on January 2, 2018. If you are registered for spring classes, the USF One Stop Student Accounts Office will post your Spring 2018 tuition bill on your USF student account by December 5 and send you an email notice. You can view your bill online via your myUSF student account via the View and Pay section. Payment must be made by personal funds, Authorized Financial Aid, a combination of personal funds and Authorized Financial Aid, or you must be signed up for the payment plan by January 2, 2018: <https://myusf.usfca.edu/onestop/billing-tuition/payment-plan>

If you are utilizing financial aid to cover your spring tuition bill, your financial aid will be noted as **Authorized Financial Aid** on your billing statement and will be credited towards your spring bill. If your Authorized Financial Aid is sufficient to cover your spring bill, there is no additional payment that you need to make at this time.

IMPORTANT- Failure to make your tuition payment by the above payment methods will result in the cancellation of your spring class registration by the USF One Stop Student Accounts Office and a hold will be placed on your student record. You will not be allowed to re-register until you have reconciled your spring tuition payment. Once that is done, the hold will be lifted and you will be allowed to re-register during the add-drop/late registration period (which begins on January 4, 2018).

Bar Loan Information

December 2017 or Spring 2018 graduating students can apply for private bar loans to help with living expenses during the February 2018 or the July 2018 bar preparation period. These loans are private lender loans subject to credit approval. Information is available at the Law Financial Aid Office or online at: <https://www.usfca.edu/law/admissions/tuition-aid/jd/types-of-aid/loan-programs>

Spring 2018 Registration & Financial Aid

All law students must be in good academic standing AND registered for Spring 2018 classes before any Spring 2018 financial aid can be disbursed (unless there is a hold on your student record for an unpaid fall balance or any other administrative or academic matter). No aid for Spring 2018 will be disbursed unless you are registered for the minimum number of units required by the US Department of Education for Financial Aid Disbursement, which is 6 units minimum for full time students and 3 units minimum for part time students.*

According to the Law Registrar's Office, Spring 2018 online registration began on November 1, 2017, beginning with fourth year Part-Time Evening students and LLM and MLST Tax students. The full Spring 2018 registration schedule for all other continuing law students is available online at: <https://myusf.usfca.edu/law/registration/registration-dates-and-procedures>

*Please note: that USF School of Law School requires that all full time **JD students** register for a minimum of 12 units per semester and all part time **JD students** register for a minimum of 8 units per semester.

If you do not register for Spring 2018 classes during the fall online registration period, your financial aid will NOT disburse until AFTER you register for classes during the late registration period which begins on **January 4, 2018**. Funds typically disburse to the University twice a week, on Mondays and Wednesdays. Once you are registered for the appropriate number of units, funds will disburse on the next Monday or Wednesday, depending on when you complete late registration.

Spring 2018 Financial Aid Disbursement

The earliest disbursement date for Spring 2018 financial aid is Tuesday, January 2, 2018.

To be eligible to receive financial aid, students must be in good academic standing and have accepted the financial aid offered to them and completed all other requirements for disbursement including being registered for spring classes. **Please be aware that waitlisted units do NOT count towards the minimum unit requirement for financial aid disbursement.**
