Laminate Finishes and Paint Colors

Choosing a standard finish and color helps USF to promote a sustainable environment because it allows other divisions of the university to reuse the old furniture of departments purchasing a new set of furniture. Hence, USF encourages the use of Avant Honey as the standard laminate finish and Putty as the standard metal paint color to promote environmental sustainability and furniture reusability. See www.usfca.edu/purchasing/furniture/finishes. For further assistance, contact Purchasing Services at 415-422-5898 or send an email to purchasing@usfca.edu
