Report Date: June 2, 2009

School/College: College of Arts & Sciences

Department/Program: English as a Second Language Program

Person completing the Report: Johnnie Johnson Hafernik, Coordinator of the ESL Program (AY 2008-2009)

I. Overview Statement:

The ESL Program consists of two types of programs: (1) the Intensive English Program (EIP) which offers 20 – 26 hours of ESL instruction per week for non-matriculated students, individuals who come to USF to study English full-time; and (2) ESL courses for matriculated students, undergraduate and graduate. The majority of students who take ESL courses are undergraduates admitted as English conditional students. They enroll in ESL courses concurrently with other USF courses.

The ESL Program does not offer a major and has never submitted an Assessment Plan.

II. ESL Program assessment initiatives in AY 2008-2009

1. Revision of Brief ESL Faculty Handbook (Attached)

2. Revision of ESL Course Descriptions Booklet (Attached)

3. Revision of ESL Program evaluation and implementation of the evaluation online through Survey Monkey (Attached)

4. Design and implementation of online Exit Interview for Intensive English Program students leaving USF (on Survey Monkey.) Individuals are also encouraged to have a personal interview. Two students requested a personal exit interview. (Attached)

5. Program Self-Evaluation for American Association of Intensive English Programs (AAIEP), a professional organization of which the Intensive English Program is a member. (Attached)
