### Course:
**LAW 600 – Civil Procedure**

### Professor:
**Tristin Green**

### Course Materials:

### First Assignment:
For our first class, please read pages 1-13 in the Yeazell & Schwartz casebook (the red textbook) plus any Federal Rules of Civil Procedure, statutes, or constitutional provisions referred to in the reading (you can find these in the Federal Rules of Civil Procedure supplement book).

### Additional Notes:
Choose a seat in class for our first day that you are comfortable with (Please do not sit in the last two rows of the classroom). I will pass around a seating chart so that I can get to know your names as quickly as possible.

Note: Use of laptops and other electronic devices is not permitted during this class.

I am looking forward to working with you all!
