https://www.usfca.edu/law/admissions/tuition-aid/jd/types-of-aid/summer

In addition to submitting the Summer ITE Form, once you are registered for summer classes, you will need to complete a Federal Direct Graduate PLUS application for Summer 2018 online at www.studentloans.gov. In the Spring, the Law Registrar's Office will send an email to all continuing law students notifying you of the Summer 2018 registration process. The earliest anticipated Summer registration will occur online in early March. Contact the Law Registrar's Office for any updated information.

The priority deadline to submit the Summer 2017 ITE form will be April 1, 2018.

Applying for Financial Aid for the Fall 2018/Spring 2019

The Free Application for Federal Student Aid or FAFSA, for the **Fall 2018 and Spring 2019** academic year is now available online at www.fafsa.ed.gov

All students who wish to receive financial aid for the 2018-19 academic year *are required* to complete the new 2018-19 FAFSA.

The FAFSA should be completed as soon as possible but no later than March 1, 2018 in order to receive the maximum financial aid consideration for 2018-19 (this date is especially important for those continuing students who wish to be considered for the Federal Work Study award). You can access the FAFSA online at www.fafsa.ed.gov. Our Title IV code is 001325 and must be included in your FAFSA application.

IMPORTANT: The 2018-19 FAFSA can be completed after March 1, and you will still be able to receive federal educational loan aid for this upcoming year. However, delaying completing your FAFSA will affect when you receive your award notice as well as your eligibility for Federal Work Study.

Financial aid awards for the 2018-19 academic year will be made be made available to continuing law students *by early April 2018* as long as the 2018-19 FAFSA is completed and USF receives your FAFSA information by mid-March 2018. You will be

sent an email notification at that time by the University One Stop Financial Aid Office indicating that you can review your financial aid award online via your myUSF online student portal.

The University Financial Aid Office will begin downloading 2018-19 FAFSA information for continuing USF students in mid-March. If you recently completed a 2018-19 FAFSA, we will not be able to verify receipt of your 2018-19 FAFSA *until that time.*

In addition to completing a new FAFSA, those students who wish to be considered for the Graduate PLUS loan program for the Fall 2018 & Spring 2019 academic year, must also complete a new PLUS loan application for each academic year. Graduate PLUS loan applications for the 2018-19 academic year are available online at www.studentloans.gov. **Students can begin applying for a 2018-17 PLUS Loan only AFTER you have completed a 2018-19 FAFSA and have been offered the Federal Direct Unsubsidized Loan for 2018-19 and have "accepted" the Unsubsidized Loan online via your myUSF student portal.**

Bar Loan Information

December 2017 or Spring 2018 graduating students can apply for private bar loans to help with living expenses during the February 2018 or the July 2018 bar preparation period. These loans are private lender loans subject to credit approval. Information is available at the Law Financial Aid Office or online at: https://www.usfca.edu/law/admissions/tuition-aid/jd/types-of-aid/loan-programs

Important Information for 2L, 3L and 4L Part Time Students Regarding Add/Drop

Late registration and Add/Drop began on Thursday, January 4, AFTER you have already been processed for a financial aid refund. Adjustments to your financial aid may be necessary if any of the following situations occur during Add/Drop:

- If you have received the maximum financial aid award for 20 annual units but you are registered for **less than 10 units for the Spring semester as of January 2**, your aid refund will be in excess of your anticipated cost of living expenses for the fall semester. If you are not planning on adding any additional units, you will be required to return the excess financial aid awarded to you since you cannot receive aid for units that you are not registered for.
- If you Add a class after your refund has been processed, you will be immediately billed for the additional units. You will need to submit a payment with personal funds to pay for the additional units (or make a personal payment using the funds you received as a refund). If you are already receiving the maximum financial aid for the semester prior to the addition of your added class, you can request additional financial aid to cover the cost of the additional units. For more information, please contact Matthew Cox, the Assistant Director for Law Financial Aid at mscox@usfca.edu.
- If you Drop a class after your refund has been processed, with the intention of adding another class with the same unit value, you must Add and Drop on the same day, otherwise you run the risk of a an outstanding tuition balance due on your USF student account.
- If you Drop a class after your refund has been processed, and you do not intend to add another class, you will create a credit on your USF student account. You must notify the Law Financial Aid Office immediately by contacting Matthew Cox, the Assistant Director for Law Financial Aid at mscox@usfca.edu. Otherwise you will be inadvertently issued a refund for this credit, which you will be required to repay the University since you are not eligible to receive financial aid for this dropped class.

Important: The Law Financial Aid Office will conduct an audit of all Part Time students' financial aid records after the **January 29 census date** (last day to withdraw without penalty). If your financial aid for the Spring semester is not appropriate for the unit load you are registered, we will make the necessary adjustments to your aid and you will be notified via email. Please remember that any over-award (receiving financial aid in excess of your unit load), will result in the USF One Stop Office returning those funds to the lender and creating a balance due on your USF student account. It is critically important that you review your student account after the census date to insure that your account is reconciled. **Any unpaid balance will result in late fees assessed on your student account and a Hold placed on your student record, which will prevent you from registering for the spring semester.**

Countries around the world are calculating their respective tax gaps and increasing their investment in civil tax enforcement as information regarding offshore tax evasion takes center stage with the surge of whistleblowers and data leaks. At the same time, law enforcement officials are reviewing information obtained from various sources to identify individuals and entities engaged in tax evasion and to pursue criminal investigations. With this looming threat of discovery, taxpayers are considering voluntary disclosure programs to avoid the increasingly severe consequences of non-compliance. Ciraolo will discuss this new era of global tax enforcement and its impact on taxpayers, their advisors, and third party gatekeepers, including banks and other financial service providers.
This Program is exclusively funded by a generous grant from the Edwin L. Wiegand Trust of Reno, Nevada.

Caroline D. Ciraolo, former acting assistant attorney general of the U.S. Department of Justice Tax Division, is a partner with Kostelanetz & Fink and a founder of its Washington, D.C. office. Her practice focuses on complex and sophisticated federal and state civil tax controversies, providing related tax advice, conducting internal investigations, and representing individuals and institutions in criminal tax investigations and prosecutions.

During her tenure with the Justice Department, Ciraolo was actively involved in all aspects of Tax Division operations. Under her leadership, the Division reached agreements with 80 Swiss financial institutions that admitted to facilitating tax evasion and the avoidance of reporting requirements by U.S. account holders. The Division also imposed and collected more than $1.36 billion in penalties, and increased civil and criminal enforcement with respect to offshore tax evasion, employment tax violations, and traditional tax offenses.
