If you apply for coverage for yourself more than 31 days from the date you become eligible to elect coverage under this plan, the guaranteed coverage amounts will not apply. Coverage will not be issued until the insurance company approves acceptable evidence of good health. Evidence of good health may include a paramedical exam or physician's statement.

How Much Life Insurance Do You Need?

We have provided this worksheet to help you calculate how much life insurance you may need for a surviving spouse and dependents. When calculating annual amounts, be sure to multiply the annual income or cost by the number of years you expect to receive that income, or incur that cost.

| 1. Living Costs | | |
|---|-----|--------------------|
| Day-to-day Living Expenses (<i>Use 75% of current net income</i>) | | |
| \$ _____ annually x _____ years | = | \$ _____ |
| Child Care Expenses | | |
| \$ _____ annually x _____ years | = + | _____ |
| Education Funding | | |
| \$ _____ annually x _____ years | = + | _____ |
| Major Purchases (<i>cars, home repair</i>) | | |
| \$ _____ annually x _____ years | = + | _____ |
| Estate and Funeral Expenses | = + | _____ |
| TOTAL LIVING COSTS (A) | = | \$ _____ |
| 2. Available Resources | | |
| Cash and Savings | = | \$ _____ |
| Retirement Savings (<i>IRA, 401(k), etc.</i>) | = + | _____ |
| Stocks and Bonds (<i>at current market value</i>) | = + | _____ |
| Spouse Income (<i>multiply by 60%*</i>) | | |
| \$ _____ annually x _____ years | = + | _____ |
| Other Assets | = + | _____ |
| TOTAL AVAILABLE RESOURCES (B) | = | \$ _____ |
| 3. Life Insurance Need | | |
| TOTAL LIVING COSTS (A) | = | \$ _____(A) |
| LESS TOTAL AVAILABLE RESOURCES (B) | - | \$ _____(B) |
| EQUALS LIFE INSURANCE NEED | = | \$ _____ |

Naturally a worksheet like the above is only an aid to determining life insurance needs. It cannot predict all of your expenses, economic conditions, inflation, investment performance or other factors which may alter your needs. For a more accurate plan, you should consider consulting an investment advisor.

** Estimate likely spouse income as sole provider. Include your estimate of Social Security benefits to surviving spouse and dependents. The 60% factor above is used to account for taxation so that a net income figure can be derived. Vary this factor if you feel combined federal, state and local taxes, and FICA will be different for your situation.*

Other Benefit Features

Continuation for Disability for Employees Age 60 or Over

If your active service ends due to disability, this plan provides a continuation of coverage feature. If you are disabled at age 60 or over, your coverage will continue while you are disabled. This benefit will remain in force until the earliest of the following dates: the date you are no longer disabled, the date the policy terminates, the date you are Disabled for 9 consecutive months, or the day after the last period for which premiums are paid.

You are considered disabled if, because of injury or sickness, you are unable to perform all the material duties of your Regular Occupation, or you are receiving disability benefits under your Employer's plan. "Regular Occupation" means your occupation, as routinely performed in the general labor market, at the time your disability begins.

Extended Death Benefit with Waiver of Premium

Extended Death Benefit

If you become Disabled — The extended death benefit ensures that if you become disabled prior to age 60, and die before you qualify for Waiver of Premium, we will pay the life insurance benefit if you remain disabled during that period. If you qualify for this benefit and have insured your spouse or children, their coverage is also extended.

You are considered disabled if, because of injury or sickness, you are unable to perform all the material duties of your Regular Occupation, or you are receiving disability benefits under your Employer's plan. "Regular Occupation" means your occupation, as routinely performed in the general labor market, at the time your disability begins.

Waiver of Premium

If you become totally disabled — To make sure you can keep the life insurance protection you need during a difficult period of your life, this plan provides a *waiver of premium* feature. If you are totally disabled prior to age 60 and can't work for at least 6 months, you won't need to pay premiums for your coverage while you are disabled, provided the insurance company approves you for this benefit. You are considered totally disabled when you are completely unable to engage in any occupation for wage or profit because of injury or sickness. This benefit will remain in force to Age 70, subject to proof of continuing disability each year. If you qualify for this benefit and have insured your spouse or children, the premium for their coverage is also waived.

What Is Not Covered

The plan will not pay benefits if loss of life is the result of suicide that occurs within the first two years of coverage.

Accelerated Death Benefit — Terminal Illness

If you are diagnosed by two unaffiliated physicians as terminally ill with a life expectancy of 12 months or less, the accelerated payment benefit for terminal illness provides for up to 75% of the life insurance coverage amount in force or \$250,000, whichever is less, to be paid to you. This benefit is payable only once in your lifetime, and will reduce your life insurance death benefit.

The terminal illness benefit may be taxable. As with all tax matters, you should consult with a personal tax advisor to assess the impact of this benefit.

When Your Coverage Begins and Ends

The date your coverage begins is called its “effective date.” Your employer will let you know the effective date of your coverage. If you are not actively at work on the effective date of coverage, your coverage will not begin until you return to work. For coverage for your spouse and/or children to be effective, they must not be hospitalized or confined at home under the care of a doctor.

Your coverage cannot be terminated as long as you remain eligible, the premium is paid and the group policy remains in force. For your spouse and children, coverage ends when your coverage ends, when their premiums are not paid or when they are no longer eligible.

Converting Your Coverage to Permanent Life Insurance

If group life insurance coverage is reduced or ends for any reason except nonpayment of premiums, you can convert to an individual policy. No medical certification is needed. To convert coverage, you must apply for the conversion policy and pay the first premium payment within 31 days after your group coverage ends. Family members may convert their coverage as well. Converted policies are subject to certain benefits and limits as outlined in the conversion brochure which may be requested as needed. Premiums may change at this time.

Apply Today

In order to apply for coverage, you must complete an application form. Be sure to answer all questions accurately, and indicate how much coverage you wish to have.

Payroll Deduction

You pay your premiums through payroll deduction. The total depends on how much coverage you select and your age, and the coverage you purchase for yourself, your spouse and child/ren.

Designating Your Beneficiary

Your term life benefit will automatically be paid to the first beneficiary listed below who is living at the time of your death if you do not designate a specific beneficiary:

- 1) Your Spouse*
- 2) Your Child(ren)
- 3) Your Parents
- 4) Your Siblings
- 5) Your Estate

If you wish to designate different beneficiaries, or to indicate percentages, you may do so on your application. If the listed beneficiary is a trustee or a trust, you will need to indicate the trustee's name, the name of the trust and the date of the trust agreement. The trust document must be presented in order for the claim to be processed.

** Benefits will not be paid to your Domestic Partner if he or she is not specifically designated.*

This insurance can help ensure that tragedy doesn't take both an emotional and a financial toll on your family. By purchasing this insurance through your employer, you benefit from:

Who Is Eligible For Coverage?

You – You are eligible for coverage if you are an active, full-time employee scheduled to work at least 30 hours per week, active Law Faculty Employee, part-time Counseling Psychologist, Regional Campus Librarian, Regional Campus Library Assistant, Regional Campus Assistant Director or Regional Campus Assistant Director scheduled to work at least 20 hours per week, or an active, full-time University of San Francisco Stationary Engineers Local 39 Employees subject to a collective bargaining agreement.

Your Family – You may elect to cover your lawful spouse* under age 70 and your unmarried dependent children who are under age 19 (or under age 25 if they are full-time students). Children must be dependent upon you for support and maintenance.

No one may be covered more than once under this plan. If covered as an employee, you cannot also be covered as a dependent.

** Domestic Partner is defined in the Group Policy. For purposes of this brochure, wherever the term Spouse appears, it shall also include Domestic Partner. You must have on file an affidavit (available from your employer) which specifies the criteria for being a Domestic Partner under the Group Policy. In addition, a Domestic Partner registered with the California Secretary of State is eligible as a Domestic Partner under the policy and no affidavit is necessary. Additional information is available from your Benefit Services Representative.*

How Much Coverage Can You Buy?

You – You may select from \$25,000 to \$250,000 of coverage in units of \$25,000 at an affordable price.

Your Family – Your Spouse's benefit amount will be 40% of yours or 50% if you have no dependent children, subject to a maximum benefit of \$125,000. Each of your covered children's benefit amount will be 15% of yours or 10% if you have no eligible spouse, subject to a maximum benefit of \$37,500.

Each family member's coverage is a percentage of the benefit amount you select. It will depend on who your insured family members are at the time of a covered accidental loss.

You may need to request changes to your existing coverage if, in the future, you no longer have dependents who qualify for coverage. We will refund premium if you do not notify us of this and it is determined at the time of a claim that premium has been overpaid.

Your Monthly Cost

Your cost will depend on the benefit amount and coverage option you select. The chart below shows the most common benefit amounts. Other amounts are available, subject to the maximums indicated.

| Your Benefit Amount | Monthly Cost for You and Your Family | Monthly Cost for You Only |
|---------------------|--------------------------------------|---------------------------|
| \$ 25,000 | \$ 1.20 | \$.675 |
| 50,000 | 2.40 | 1.350 |
| 75,000 | 3.60 | 2.025 |
| 100,000 | 4.80 | 2.700 |
| 150,000 | 7.20 | 4.050 |
| 200,000 | 9.60 | 5.400 |
| 250,000 | 12.00 | 6.750 |

Costs are subject to change.

The rate per \$1,000 of coverage is \$0.027 for Employee Only, or \$0.048 for the Employee and Family Plan. To calculate your cost, divide the amount you select by 1,000 and multiply that number by the appropriate cost. For example, if you choose the Family Plan and select \$220,000 of coverage, then:

$$\begin{aligned} & \$220,000 \div 1,000 = 220 \\ & 200 \times \$0.048 = \$10.56 \text{ Your Monthly Cost} \end{aligned}$$

Benefit Reductions

When the covered person reaches age 70, his or her benefits will be reduced to 65% of the benefit amount selected. Coverage for your spouse ends when he or she reaches age 70. These reductions also apply if you elect coverage after age 69.

A Valuable Combination of Benefits

Personal Accident Insurance helps protect you against losses due to accidents. A covered accident is a sudden, unforeseeable, external event, resulting directly and independently of all other causes, in a covered injury or covered loss that occurs while coverage is in force. To help survivors of severe accidents adjust to new living circumstances, we will pay benefits according to the chart below.

| If, within 365 days of a covered accident, bodily injuries result in: | We will pay this % of the benefit amount: |
|--|--|
| Loss of life, or Total paralysis of upper and lower limbs, or Loss of any combination of two: hands, feet or eyesight, or Loss of speech and hearing in both ears | 100% |
| Total paralysis of both lower or upper limbs | 75% |
| Total paralysis of upper and lower limbs on one side of the body, or Loss of hand, foot or sight in one eye, or Loss of speech, or Loss of hearing in both ears | 50% |
| Total paralysis of one upper or lower limb, or Loss of all four fingers of the same hand, or Loss of thumb and index finger of the same hand | 25% |
| Loss of all toes of the same foot | 20% |
| Coma | 1% |

If the same accident causes more than one of these losses, we will pay only one amount, but it will be the largest amount that applies.

Loss of a hand or foot means complete severance through or above the wrist or ankle joint. **Loss of sight** means the total, permanent loss of all vision in the eye. **Loss of speech** means total, permanent and irrecoverable loss of audible communication. **Loss of hearing** means total and permanent loss of the ability to hear any sound in both ears. Loss of sight, speech and hearing must be irrecoverable by natural, surgical or artificial means. **Loss of a thumb and index finger or four fingers**, means complete severance through or above the metacarpophalangeal joints (the joints between the fingers and the hand). **Paralysis** means total loss of use, without severance, of a limb. This loss must be determined by a doctor to be complete and not reversible. **Loss of Toes** means complete severance through the metatarsophalangeal joint. **Severance** means complete and permanent separation and dismemberment of the limb from the body.

Additional Benefits

For Exposure and Disappearance

Benefits are payable if you or an insured family member suffer a covered loss due to unavoidable exposure to the elements as a result of a covered accident.

If your or an insured family member's body is not found within one year of the disappearance, wrecking or sinking of the conveyance in which you or an insured family member were riding, on a trip otherwise covered, it will be presumed that you sustained loss of life as a result of a covered accident.

For Comas

If you, your spouse, or your children have been in a coma for one full month as a result of a covered accident, we will pay a coma benefit, as shown in [A Valuable Combination of Benefits](#). We will make 11 monthly payments, provided the person remains in a coma during this period. If the person recovers, the payments will stop.

If the insured person dies while the monthly coma benefit payments are being made, or if the insured person remains in a coma after the 11 monthly payments have been made, he or she will be entitled to a lump sum payment equal to the full benefit amount.

Coma means a profound state of unconsciousness which resulted directly and independently from all other causes from a covered accident, and from which the insured is not likely to be aroused through powerful stimulation. This condition must be diagnosed and treated regularly by a physician. Coma does not mean any state of unconsciousness intentionally induced during the course of treatment of a covered injury unless the state of unconsciousness results from the administration of anesthesia in preparation for surgical treatment of that covered accident.

For Child Care Expenses

Personal Accident Insurance pays an additional benefit to help pay for your children's child care expenses. If you have elected to cover your family members and you die as a result of a covered accident and you have a surviving child under 13 who is enrolled in a licensed child care center at the time of the accident or within 90 days afterward, we will pay a child care center benefit. This benefit will be an annual sum for each covered child of up to 3% of your benefit amount but not more than \$3,000 per year for 4 years or until the child turns 13, whichever occurs first.

We will make the payment to the child's surviving custodial parent or legal guardian.

Each payment will be made at the end of a 12-month period in which there were documented child care center expenses.

Additional Benefits – cont'd.

For Furthering Education

The education benefit can give employees who sign up for coverage for their family members extra peace of mind if their children enroll in a school of higher learning.

If you die in a covered accident, we will pay an extra benefit for each insured child who is enrolled in a school of higher learning or is in the 12th grade and enrolls within one year of the accident. To help pay expenses, we will increase your benefit amount by 5% (up to 2500) for each qualifying child. This benefit is payable each year for 4 consecutive years as long as your children continue their education.

If there is no qualifying child, we will pay an additional \$1,000 to your beneficiary.

For Training for Your Spouse

If you have elected spouse coverage, your spouse will receive educational reimbursement if he or she enrolls, within three years of your death in a covered accident, in an accredited school to gain skills needed for employment. We will pay the actual cost of this education or training program up to 3% of your benefit amount, not to exceed \$5,000.

What Is Not Covered

Plan benefits are not payable if an injury or a loss results, directly or indirectly, from or is caused by, self-inflicted injuries or suicide while sane or insane; commission or attempt to commit a felony or an assault; any act of war, declared or undeclared; any active participation in a riot, insurrection or terrorist act; bungee jumping; parachuting; skydiving; parasailing; hang-gliding; sickness, disease, physical or mental impairment, or surgical or medical treatment thereof, or bacterial or viral infection, regardless of how contracted. (This does not include bacterial infection that is the natural and foreseeable result of an accidental external cut or wound or accidental food poisoning.)

Benefits are also not payable if the loss occurs while the covered person is voluntarily using any drug, narcotic, poison, gas or fumes except one prescribed by a licensed physician and taken as prescribed; while operating any type of vehicle while under the influence of alcohol (intoxicated is defined by the law of the state in which the covered accident occurred) or any drug, narcotic or other intoxicant including any prescribed drug for which the covered person has been provided a written warning against operating a vehicle while taking it; while the covered person is engaged in the activities of active duty service in the military, navy or air force of any country or international organization (this does not include Reserve or National Guard training, unless it extends beyond 31 days); traveling in an aircraft that is owned, leased or controlled by the sponsoring organization or any of its subsidiaries or affiliates (an aircraft will be deemed to be "controlled" by the sponsoring organization if the aircraft may be used as the sponsoring organization wishes for more than 10 straight days, or more than 15 days in any year); flying in, boarding or alighting from an aircraft or any craft designed to fly above the earth's surface, except as a passenger on a regularly scheduled commercial airline; that is: an ultra-light or glider, designed to be used in outerspace; being used by any military authority, except the Air Mobility Command or its foreign equivalent; being flown by the covered person or in which the covered person is a member of the crew; being used for parachuting, hang-gliding, crop dusting, spraying or seeding, giving and receiving flying instruction, fire fighting, sky writing, skydiving, pipeline or power line inspection, aerial photography or exploration, racing or endurance tests, stunts or acrobatic flying, or any operation that requires a special permit from the FAA, even if it is granted (this does not apply if the permit is required only because of the territory flown over or landed on).

In addition, benefits will not be paid for services or treatment rendered by a physician, nurse or any other person who is employed or retained by the subscriber or who is providing homeopathic, aroma-therapeutic or herbal therapeutic services, living in the covered person's household or a parent, sibling, spouse or child of the insured.

When Your Coverage Begins and Ends

Current employees can sign up during this enrollment period. New employees have 31 days from the date they become eligible to enroll. Coverage becomes effective on the later of the program's effective date, the date you become eligible, the date we receive your completed enrollment form, or the date you authorize any necessary payroll deductions. Provided the application has been received and the appropriate premium paid, dependent coverage will start when your coverage begins. If you are not actively at work, the effective date of your insurance will be deferred until you are actively at work.

For insurance for your spouse and/or children to become effective, he/she must not be an inpatient in a hospital, receiving chemotherapy or radiation therapy on an outpatient basis, confined at home and under the care of a physician for sickness or injury or totally disabled.

Your coverage will continue as long as you remain an eligible employee, pay your premium when due and we agree with your employer to continue this group policy. For your spouse and dependent children, coverage ends when your coverage terminates, when their premiums are not paid or when he or she is no longer eligible, whichever occurs first.

***Totally disabled** means, if the covered person is employed, he/she is unable to perform any work for which he/she is (or may reasonably become) qualified by education, training or experience. If the covered person is not employed, totally disabled means he/she is unable to perform all the activities of daily living without human supervision or assistance.*

Changing from the Group Plan to Individual Coverage

If, before you reach age 70, this group coverage is reduced or ends for any reason except non-payment of premium or age, you can convert to an individual policy. No medical certification is needed. To continue coverage, you must apply for the conversion policy and pay the first premium in effect for your age and occupation within 31 days after your group coverage ends. Family members may convert their coverage as long as they have not reached the maximum age limitation. Converted policies are subject to certain benefits and limits as outlined in your certificate, should you become insured under the plan.
