

## Health Requirements

### BSN Freshman 2– Part II

Greetings! This worksheet is designed to help you submit the second portion of documentation for specific health requirements that our clinical sites require. Please complete the requirements listed below:

#### ***Student Account Set-up***

- Use the same account that you initially set-up with Certified Background

#### ***Background Check & Drug Test Order***

- Submit for your Background Check via Certified Background
- Submit for your Drug Test via Certified Background

#### ***Program Health Requirements***

- Tuberculosis Test (2-step or 2 annual results) on USF TB Annual Update Form or on agency letterhead/form
- Basic Life Support Certification Card (front and back) provided via the American Heart Association
- Seasonal Influenza vaccine on USF Verification Form or on agency letterhead/form

Once you have completed the above stated requirement, you must upload a copy of the documentation into your Certified Background student account prior to your program submission deadline.

If you have technical questions for Certified Background, please contact:
