APPLICATION FOR HOUSING
An application to live in any University-operated student housing unit requires the submission of this completed agreement and the enrollment deposit of $750 which will be applied to your term balance.

HOUSING REQUIREMENT
All undergraduates admitted for the Fall 2016 Semester with 40 or fewer transfer credits will be required to live on campus for their first two semesters of enrollment at USF. Exemptions from this requirement are granted to students living at home with their legal guardian if the legal guardian’s permanent address is within a 40-mile radius of campus or for medical or financial hardships as determined by the Director of SHaRE or designee. All requests for an exemption must be submitted through USFrooms to the Student Housing and Residential Education (SHaRE) Office for approval. When campus housing nears capacity, the University reserves the right to relax the exemption policy.

ELIGIBILITY FOR OCCUPANCY
1. Student must be registered and enrolled for a full credit-hour load at USF (as defined by the most recent University General Catalog) by the University Census date or the effective date of this agreement, whichever comes later, for each semester (fall and spring) covered under this agreement. Exceptions to this requirement must be requested in advance in writing and approved by the Director of SHaRE or designee.
2. In addition to the credit-hour load requirement stated above, Student must be in good behavioral standing with the University (i.e., not have received a sanction from the University Conduct System that prevents him or her from living in University operated housing).
3. In addition to the above stated requirements, a student must also submit proof of immunization to the Health Promotions Office (HPS). Domestic students require at least one dose of MMR (measles/mumps/rubella). In addition to the above requirement, international students require proof of a tuberculosis test administered in the last 12 months.

RATES FOR ROOM AND MEAL PLAN
1. Rates for residence hall rooms and other units/spaces as well as the meal plan are published prior to the beginning of the Fall semester and are included on the Student Housing website. Room and board charges are assessed by the semester and are due as billed by One Stop.
2. This agreement legally binds Student to room and board charges for the full term or remaining balance thereof. Any Student who leaves the residence halls or other units/space during the agreement period without submitting a Contract Cancellation form (see “Contract Cancellation” section below) continues to be liable for charges during the Agreement Term.
3. Students assigned to live in Phelan Hall, Hayes-Healy Hall, Gillson Hall, Lone Mountain Hall/Pacific Wing, Fulton House Cottage, or Fromm Hall, are required to purchase the University meal plan each semester. The University will automatically enroll Students assigned to these buildings in the Flexi Standard meal plan. Students assigned to Pedro Arrupe Hall, Fulton House main or Loyola Village are not required to purchase a meal plan.
4. A reduction in the Flexi Standard meal plan may only be granted if student has a disability which directly impacts his or her ability to use the established meal plan options. Student may contact Student Disability Services to begin the intake/eligibility process to determine eligibility for a meal plan exemption.
5. The Meal plan is non-transferable beyond the spring semester or between student accounts and has no cash value at the completion of the academic year.
DATES OF OCCUPANCY
The dates of occupancy for the 2016-17 academic year are as follows:
1. Fall Semester: Saturday, August 20, 2016 to 24 hours after the Student’s last final exam OR noon on Saturday, December 17, 2016, whichever comes first.
2. Intersession and Spring Semester: noon on Monday, January 2, 2017 to 24 hours after the Student’s last final exam OR noon on Saturday, May 20, 2017, whichever comes first. Students participating in commencement ceremonies are permitted to stay until noon on Sunday, May 21, 2017.
3. Exceptions to the above dates must be requested in advance, in writing and approved by the Director of SHaRE or designee. Students authorized to check-in prior or check-out after the agreement period of occupancy may be assessed additional daily room charges.
4. All University-operated housing facilities are closed during the Winter Break. Residents are not permitted to enter between noon on Saturday, December 17, 2016 until noon on Monday, January 2, 2017.

ROOM ASSIGNMENTS, CHANGES, AND CONSOLIDATIONS
1. Ordinarily, room assignments are made with consideration for the compatibility of roommates but SHaRE is under no obligation to do so. The University, however, reserves the right to assign residence hall rooms and other units/spaces to make the most effective use of available space, to use unallocated space (including lounges) in any University-operated housing, and to utilize double rooms for triple occupancy in overflow situations. The University also reserves the right to later reduce the number of students assigned to a room, lounge, or other accommodation.
2. The University reserves the right to reassign Student at any time. Possible reasons for reassigning Student include (but are not limited to) when, in the opinion of the Director of SHaRE or designee, student is (a) disruptive to his or her residential community, (b) incompatible with his or her roommate(s), or (c) unwilling to abide by University rules and regulations. Other reasons include (but are not limited to) "Acts of God".
3. Room change requests must be made in accordance with guidelines available to all students upon move in. Students may also consult with a SHaRE staff member for more information. Unauthorized room changes may result in termination of this agreement, a disciplinary sanction including a monetary fine, or both. This agreement does not guarantee Student a specific assignment, roommate, placement preference, or compatibility.
4. Students without an agreement for a single room and who do not have a roommate are subject to room consolidation. When space permits and at the discretion of the Director of SHaRE or designee, students living alone in double rooms may be offered the opportunity to rent their double room as a single room at an increased cost.
5. This Agreement may not be assigned to another person, and Student may not sublease his or her assigned space.

WAITLIST
1. If no housing is available upon signature of this agreement, a student is waitlisted and will be offered the next available room.
2. When waitlisted, the terms of this contract are suspended. After the conditional period, the contract is enforceable upon acceptance of a room offer.

DISABILITY & SPECIAL HOUSING ACCOMMODATION
1. If you are a student with a disability or disabling condition which requires a housing accommodation, you may contact Student Disability Services (SDS). SDS will require documentation of disability in order to process a student’s request; conditions which do not rise to the level of disability will not qualify for a special housing accommodation.
CHECK-IN DEADLINE
The University may cancel the housing assignment if Student fails to officially check-in to his or her assigned space after the first day of the agreement or, if during the semester, twenty-four (24) hours after this agreement is signed, unless prior written notice of late arrival is received by the Office of SHARE. Official check-in means (a) acceptance of room access on the student's ID card or room key, and (b) completion of an electronic Room Inventory indicating condition of room and all furnishings assigned to Student. Student's acceptance of the conditions noted on the electronic Room Inventory establishes Student's acceptance of the condition of the room and contents at the time of check-in and becomes the standard for the condition of the room at the time of check-out.

CHECK-OUT PROCEDURE
At the conclusion of the agreement term, a grant of a Contract Cancellation, or expulsion, Student must follow established check-out procedures including: (a) removal of all personal belongings from the room or unit; (b) return of all issued keys with access cleared from student's ID card; (c) completion of a room inventory with a staff member. Failure to perform a room inventory with a staff member will result in a forfeit to appeal any room damages correctly assessed by SHaRE staff. Failure to follow check-out procedures may result in an Improper Check-Out monetary fine and may delay billing updates to student's account.

LOCK-OUT PROCEDURE
In the event that Student loses [his/her] USF ID Card, a temporary key card may be issued to regain access to their room. Failure to return a temporary key card within thirty minutes may result in a Lockout monetary fine. Failure to return the temporary key card within a twenty-four hour period is subject to deactivation and may result in a Temporary Key Card Replacement monetary fine.

RIGHT OF ENTRY AND SEARCH
1. The University reserves the right to enter any Student's room or unit without notice to (a) inspect for condition of room and compliance with safety regulations; (b) repair, maintain, or clean; (c) respond to reported or perceived emergency situations; (d) enforce University policies; and (e) ensure that the building is vacated in fire drills, during vacation periods, and in health and safety emergencies. Authorized representatives of the University may address violations of University policy discovered upon entering a Student's room or unit.
2. Rooms and units will be searched only with the voluntary consent (waiver) of Student unless an Administrative Search authorization has been granted by the Vice Provost for Student Life or designee with a search warrant issued by a court of law. The student(s) will be informed of the reason for any room or unit search. Students are urged to review the full text of the policy on Student Privacy in University-operated housing, which is printed in the most recent Fogcutter Student Handbook.

REMOVAL FROM UNIVERSITY-OPERATED HOUSING
1. Student agrees to abide by all University rules and regulations as well as all federal, state, and local laws. The University reserves the right to discipline students found to have violated the University Student Conduct Code, Standards, Policies and Procedures, which are inclusive of University rules and regulations as well as all federal, state, and local laws. Students found to have violated these Standards or breached this Agreement are subject to expulsion from University-operated housing.
2. Where there is reasonable belief that Student's participation in University activities or presence in specified areas of campus (including but not limited to any University-operated student housing) will lead to (a) physical abuse or any conduct that threatens the health or safety of self or others, (b) destruction of campus property or threat to do same, or (c) other disruptive activity incompatible with the orderly operation of the campus, the Vice Provost for Student Life, or designee, may place Student on Interim Suspension until such time as a conduct meeting can be held, including but not limited to removal from residence.
3. Student is strongly encouraged to consult the Fogcutter Student Handbook for the full text of the Student Conduct Code, University Standards, Policies and Procedures, which include the Interim Suspension regulations.

4. A student who is removed from his or her room or unit is not entitled to a refund of room and board charges.

FURNISHINGS, ROOM CONDITION, AND DAMAGES
1. The University supplies basic furniture such as a desk and chair, dresser, desk lamp, bed, closet or wardrobe, window treatments and wastebasket. Student may not remove University-provided furnishings from his or her unit, stack furniture, appropriate furnishings from common areas, disassemble furniture, or detach fixed furnishings.

2. Student is responsible for the general condition of his or her room or unit and its contents. Student may be assessed charges for damage to (or theft of) University property.

3. In the event that damages to common areas are “unassigned” to specific individual/s, residents of that floor or suite may jointly be assessed charges for damage to (or theft of) University property in the common areas.

4. A student may elect to appeal a charge only if check out procedure was conducted in the presence of a resident advisor or other SHaRE designee. Appeals will only be granted within 72 hours after a damage charge has appeared on a student’s account (excluding holidays and weekends). Appeals may be filed for the following reasons: (a) procedural irregularities affected the determination of damage (b) There is new evidence not reasonably available when damage was determined (c) A demonstrated lack of financial means to the pay the fine in full.

PERSONAL PROPERTY
1. Student is at all times responsible for his or her personal property. Student is encouraged to obtain personal property insurance to cover loss or damage to personal property.

2. The University assumes no responsibility for loss or damage to personal property due to theft, fire, water damage, interruption of utility service, or any other cause.

Smoking is prohibited in all areas of University-operated student housing. In accordance with University policy, Smoking (including, but not limited to cigarettes, e-cigarettes, pipes, cigars, hookahs and water pipes) is no longer permitted anywhere within the boundaries of University owned or leased property and vehicles with the exception of two designated smoking areas, one on main campus and one on Lone Mountain.

Toaster ovens may be used only in Loyola Village or Fulton House Main kitchens. Only UL-approved, circuit-breaker type extension cords may be used in any University-operated student housing.

3. Gasoline-powered vehicles (including motorcycles and scooters) and equipment are prohibited in all areas of University operated student housing.

4. Student agrees to use safety and security devices as provided by the University including but not limited to door locks and smoke detectors. Student agrees to immediately report any malfunctioning safety and security devices to the SHARE office.

5. Student agrees to follow all applicable University safety procedures. All University and SHaRE safety procedures are outlined in the Fogcutter.
6. Students must have a One Card in their possession when entering building. A temporary card may be assigned outside of business hours at the residence hall front desk. There is no transfer of ID Card.

CONTRACT CANCELLATION
1. All Housing Contract Cancellations will result in a $1000.00 Contract Cancellation Fee in addition to any applicable charges for room use (assessed on a prorated basis), meal plan use, or room damage. All fees will be charged to the student's account. Students who are required to live on campus will also be required to have an approved Housing Exemption to receive a contract cancellation. Any exceptions from any part of this policy must be submitted to the Director of SHARE or designee who will consider requests for release based on:
   (a) A significant change in finances; (b) illness or hospitalization. Students leaving for USF study abroad programs, graduation, withdrawing from USF, or taking a leave of absence will not be charged the additional $1000.00 contract cancellation fee. Contract cancellations submitted during the final four weeks of the Academic year will not be granted.

CONSTRUCTION AND RENOVATION
Construction and/or remodeling or repair of academic and residential buildings on the USF campus may occur during the academic year and may result in disturbances and disruptions including (but not limited to) increased noise and dust in the area surrounding the residence halls and both planned and unplanned utility shutdowns in the residence halls. By signing this agreement, the Student agrees that he or she has been advised of possible construction and acknowledges that there may be disturbances and disruptions resulting from such construction, and has agreed to such.

PARKING POLICY
Students living on campus are not allowed to have a car within a three mile radius of the University. Students found in violation of this policy risk losing their housing assignment and/or a fine of up to $500. Students living in Loyola Village that have been granted a permitted parking space are exempted from this policy.

RIGHT TO MODIFY
The University reserves the right to make and promulgate such modifications or additional rules and regulations, or both, which may be reasonably necessary or appropriate for the safety, care, and general welfare of the Student and to adjust charges or costs for accommodations, facilities, and food services.
