---

**Graduate International Student Orientation - Friday, August 18**

9:00am - Registration:
Please arrive at 9:00am for orientation check-in. This is required of all graduate students.

9:15am - University Welcome:
Official welcome from the International Student and Scholar Services office at USF.

9:30am - Immigration Matters:
We will review extremely important information regarding your stay in the United States as an F-1/J-1 student such as the Status Verification process, registration and holds, travel & re-entry, maintaining status, working in the U.S., etc.

10:35am - Academic Success & Cultural Adjustment:
Half our time together will be dedicated to issues of and strategies for cultural adjustment. The other half will focus on differences and expectations you will find in the U.S. classroom, including helpful tips for academic success while at USF.

11:25am - Ice Breaker:
Get to know your fellow USF peers.

11:35am - Campus Resources:
Select campus offices will share their resources for international students. This will include Health Promotion Services and Student Accounts.

11:50pm - Student Panel:
Hear from current students and ask questions about their experiences at USF.

12:20pm - Final Remarks and Quiz:
There is more info in your workbook! Test your knowledge on subject reviewed today. Prizes will be awarded to those who participate and answer correctly.

12:30pm - Graduate Student Lunch:
Join fellow students at a complimentary lunch immediately following the Graduate Int’l Student Orientation.
