

Accessing Canvas

You can access Canvas via your myUSF account at <http://myusf.usfca.edu/> 24 hours a day, 7 days a week.

Once on the portal page, click on the **Canvas** button and view your **Dashboard** to access your course. If you do not see your course on your Dashboard, then click on **Courses** then **All courses** to access your course Canvas Shell. Be sure to click on the **star** next to your course so it can appear in your Dashboard.

Canvas Overview Video

View the [Canvas Course Navigation video](#) to get an overview of your Canvas course. Please note that your course may look different from the one in the video but the functionality is the same.

Canvas Student Guides

The Canvas student guides provide instructions on how to submit an assignment, participate in a discussion board and technical requirements. There is also a FAQ list that will answer the most commonly asked questions.

To access the guides go to [Canvas Student Guides](#). If you have trouble logging into Canvas or technical trouble with Canvas be sure to contact the USF ITS Help desk at [\(415\) 422-6668](tel:4154226668) and let them know you need help with Canvas.
