**Warranty Information (Items in the following catalogue are notated with "Limited Lifetime<sup>1</sup>", "Limited Lifetime<sup>2</sup>" or "Limited Lifetime<sup>3</sup>" warranty. Please see below for each warranty's scope.)**

**Limited Lifetime<sup>3</sup>** National warrants that each piece of furniture will be free from defects in workmanship given normal use and care for as long as you, the original customer, owns and uses the product. Normal use is defined as the equivalent of a single shift, 40 hour work week. In the event that a product is used more than normal use, the applicable warranty period will be reduced to 12 years and items that fall under different warranty limitations, as listed below, will be reduced to 1/3 (i.e. Wood chair frames will be 4 years instead of 12 years). National, at its option, will repair or replace with comparable product any product, part or component shipped after September 1, 2011, if the claim is eligible under the conditions of this warranty.

**Limitations:**

The particular product lines, materials, and components listed below are covered under National's 12-year, 10-year, and 5-year Warranties (from date of purchase).

**National's 12-year Warranty** Wood Chair Frames

**National's 10-year Warranty** Seating Controls, Wood Veneers and Laminates

**National's 5-year Warranty** High wear parts such as: Electrical Components, Polymer Base Components, Pneumatic Cylinders, Swivel Arm Pads, Casters, Chair Glides, Textiles, Foam, Covering Materials and Decorative Trim

**Exclusions:**

The warranties above do not apply and no other warranty applies to:

- Damage caused by the carrier in-transit, which will be handled under separate terms.
- Color-fastness or matching of colors, woodgrains, or textures occurring in wood, leather, or other materials that naturally exhibit inherent color variations.
- Customer's own materials or any other non-standard National material (including Maharam and Momentum) selected by and used at the request of the user.
- Normal wear and tear, which are to be expected over the course of ownership.
- Damages or failures resulting from modifications, alterations, misuse, abuse or negligence of National products.
- Products that were not installed, used or maintained in accordance with product instructions and warnings.

**Laminate Finishes and Paint Colors**

Choosing a standard finish and color helps USF to promote a sustainable environment because it allows other divisions of the university to reuse the old furniture of departments purchasing a new set of furniture. Hence, USF encourages the use of Avant Honey as the standard laminate finish and Putty as the standard metal paint color to promote environmental sustainability and furniture reusability. See [www.usfca.edu/purchasing/furniture/finishes](http://www.usfca.edu/purchasing/furniture/finishes). For further assistance, contact Purchasing Services at 415-422-5898 or send an email to [purchasing@usfca.edu](mailto:purchasing@usfca.edu)

**Estimated Lead Times for Quickship and Standard Items**

Estimated lead time for quickship items is approximately 2 weeks, from the date of PO acceptance by the manufacturer.

Estimated lead time for standard items is approximately 4-6 weeks, from the date of PO acceptance by the manufacturer.

Lead times will differ if special fabric (i.e. TB133 compliant) is needed. Note that chosen fabric grades also affect lead times. For more information, contact Purchasing Services at 415-422-5898 or email [purchasing@usfca.edu](mailto:purchasing@usfca.edu)
