Global's 5-year Warranty — Tackboard/Seating/Panel Textiles, Foam, Mesh, Electrical Devices, Task Lights, Adjustable Keyboard Mechanisms, Coat Racks and Lecterns

Exclusions:
The warranties above do not apply and no other warranty applies to:
- All HON *basyx* series products (these products are covered by a different warranty).
- Color-fastness or matching of colors, woodgrains, or textures occurring in wood, leather, or other materials that naturally exhibit inherent color variations.
- Customer's own materials selected by and used at the request of the user.
- Normal wear and tear, which are to be expected over the course of ownership.
- Damage caused by the carrier in-transit, which will be handled under separate terms.
- Modifications or attachments to the product that are not approved by The HON Company.
- Products that were not installed, used or maintained in accordance with product instructions and warnings.
- Products used for rental purposes.

Exclusions:
The warranties above do not apply and no other warranty applies to:
- Failures due to wear and tear.
- Color-fastness or the matching of colors, grains or textures (wood, leather, etc.) of natural materials and color matching of textiles.
- Failures which result from negligence, abuse, accident or misuse.
- Failure to apply, install or maintain products according to Global's written instructions and warnings.
- Modifications, attachments or repair methods not approved by Global.
- Damage caused by a carrier in-transit or delivery/installation contractors.
- Damage from exposure to extreme hot or cold temperatures or excessively dry or humid environments.
- Damage by markings or staining; damage by sharp objects or imprinting from instruments.

Standards and Certifications Legends (Items in the following catalogue may include the following certifications. Please see below for descriptions.)

Product meets BIFMA (Business and Institutional Furniture Manufacturers Association) standards.

Product is in compliance with stringent emission emission guidelines set out by the Greenguard Environmental Institute under the standards for low emitting products and materials.

Product meets specific indoor air quality standards developed by SCS (Scientific Certification Systems).

Product meets ISTA (International Safe Transit Association) standards.
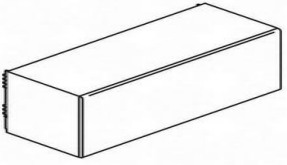

Laminate Finishes and Paint Colors
Choosing a standard finish and color helps USF to promote a sustainable environment because it allows other divisions of the university to reuse the old furniture of departments purchasing a new set of furniture. Hence, USF encourages the use of Avant Honey as the standard laminate finish and Putty as the standard metal paint color to promote environmental sustainability and furniture reusability. See www.usfca.edu/purchasing/furniture /finishes. For further assistance, contact Purchasing Services at 415-422-5898 or send an email to purchasing@usfca.edu
