Office Hours: Thursday 9:30-10:30

Texts and Reading

2. Supplemental reading will also be distributed through the class TWEN site. Students will be responsible for accessing those supplemental materials through the site. Hard copies of supplemental materials will generally not be available.

First Assignment

- Access class TWEN site
- TWEN - Selmi, Kuchner, and Ziegler, Land Use Regulation Cases and Materials, 3d Ed. (2008 Aspen Publishers) ("SK&Z") pp. 3-38*
- CF&R pp. 1-9

* Note, you can skim the statistical information on pp. 5-9. It is good background for the theoretical and policy-based issues we will discuss, but this is not a course on statistics.
