MINOR IN ARCHITECTURE AND COMMUNITY DESIGN

The Minor in Architecture and Community Design is designed to provide the non-architecture Major with an appreciation of design, architectural history, urban planning, technical skills, and community outreach as it relates to architecture and landscape design projects in underserved communities.

Students are required to maintain a minimum GPA of “C” (2.0) to be awarded a Minor, which is then reflected in their transcripts. Interested students should contact a faculty member in Architecture and Community Design to review the requirements, course prerequisites, and complete the paperwork to declare the ARCD Minor.
