## **Preamble**

This agreement is entered into on 26 April 2019 between the University of San Francisco (“the University”), and the USF Part Time Faculty Association (“the Association”).

## **Vision, Mission, and Values of the University of San Francisco**

*Approved by the Board of Trustees September 11, 2001*

### **VISION**

The University of San Francisco will be internationally recognized as a premier Jesuit Catholic, urban University with a global perspective that educates leaders who will fashion a more humane and just world.

### **MISSION**

The core mission of the University is to promote learning in the Jesuit Catholic tradition. The University offers undergraduate, graduate and professional students the knowledge and skills needed to succeed as persons and professionals, and the values and sensitivity necessary to be men and women for others.

The University will distinguish itself as a diverse, socially responsible learning community of high quality scholarship and academic rigor sustained by a faith that does justice. The University will draw from the cultural, intellectual and economic resources of the San Francisco Bay Area and its location on the Pacific Rim to enrich and strengthen its educational programs.

### **CORE VALUES**

The University's core values include a belief in and a commitment to advancing:

1. the Jesuit Catholic tradition that views faith and reason as complementary resources in the search for truth and authentic human development, and that welcomes persons of all faiths or no religious beliefs as fully contributing partners to the University
2. the freedom and the responsibility to pursue truth and follow evidence to its conclusion
3. learning as a humanizing, social activity rather than a competitive exercise
4. a common good that transcends the interests of particular individuals or groups; and reasoned discourse rather than coercion as the norm for decision making
5. diversity of perspectives, experiences and traditions as essential components of a quality education in our global context
6. excellence as the standard for teaching, scholarship, creative expression and service to the University community
7. social responsibility in fulfilling the University's mission to create, communicate and apply knowledge to a world shared by all people and held in trust for future generations
8. the moral dimension of every significant human choice: taking seriously how and who we choose to be in the world
9. the full, integral development of each person and all persons, with the belief that no individual or group may rightfully prosper at the expense of others
10. a culture of service that respects and promotes the dignity of every person.

## STRATEGIC INITIATIVES

*The following initiatives are key to the University's achieving recognition as a premier Jesuit Catholic, urban university:*

1. Recruit and retain a diverse faculty of outstanding teacher-scholars and a diverse, highly qualified, service-oriented staff, all committed to advancing the University's Visions, Mission and Values;
2. Enroll, support and graduate a diverse student body, which demonstrates high academic achievement, strong leadership capability, concern for others and a sense of responsibility for the weak and the vulnerable.
3. Provide an attractive campus environment and the resources to promote learning throughout the University:
  - Learning resources that improve the curriculum and support scholarship
  - Facilities to support outstanding educational programs
  - Technology solutions to enhance learning and improve service
4. Continue to strengthen the University's financial resources to support its educational mission.

The purpose of this Agreement is to set forth the wages, hours of employment, and other terms and conditions of employment for members of the Association.

### **8.1 Dues and fees**

The University shall deduct Association dues and fees from each Association member's salary. The University shall remit monthly all monies so deducted to the Association.

### **8.2 Dues When not Employed**

The University shall immediately terminate any dues/fees deduction authorization for each adjunct professor who ceases to be employed in the bargaining unit covered by this Agreement.

### **8.3 Indemnification**

The Association shall indemnify and hold the University harmless against any and all claims, demands or suits or liabilities that arise out of or by reason of the University's actions or inactions in complying with this Article 8.

## **ARTICLE 9 Academic Freedom**

### **9.1 Academic Freedom Policy**

The University shall maintain its policy of full freedom of inquiry, teaching and research. Such academic freedom shall encompass the freedom of discussion of any material relevant to any course that an adjunct professor may teach, and shall not place unreasonable restrictions upon instructional means and methods.

### **9.2 Academic Freedom**

In an adjunct professor's role as a citizen, he/she shall continue to have the same freedom as other citizens, provided that in his/her extramural utterances, he/she shall neither explicitly nor implicitly claim to represent the viewpoint of the University.

## **ARTICLE 10 Assignment of Responsibilities**

### **10.1 Teaching Duties**

An adjunct professor is expected to perform teaching duties in accordance with the requirements of the University and the particular school or college in which the adjunct professor is assigned. Such written requirements will be made available upon the written request of the adjunct professor.

### **10.2 Office Hours**

Responsibilities of an adjunct professor shall include instruction and instruction-related responsibilities as assigned by the Dean. Adjunct professors are expected to keep regular office hours on a schedule approved by the Dean and be available

to students without previous appointment. Adjunct professors must post a schedule and strictly observe the schedule for office hours.

### **10.3 Scholarly Endeavors**

Adjunct professors may request to participate in additional University or college activities and scholarly endeavors; and when possible, the Dean shall accommodate such requests. The Dean's decision regarding such requests shall not be subject to the grievance procedure.

### **10.4 Part-Time Status Defined**

Individuals teaching eight (8) units or fewer per term shall be routinely considered adjunct professors. This provision does not preclude the Dean from assigning an adjunct professor more than eight (8) units per term, and such assignment shall not establish full-time status for such individual. An adjunct professor who is assigned and teaches more than eight (8) units in four (4) consecutive terms may, upon request, be considered for placement in the full-time unit.

### **10.5 Grade Lists**

Adjunct professors shall file with the Dean, in a reasonable and timely manner as directed by the University, an accurate and complete grade list for all students registered in the adjunct professor's course(s).

A summary of the course content and the basis for grading must be included in the course syllabus. The Dean may grant exceptions to the above requirements.

### **10.8 Access to Support Services**

Subject to availability and University policies and procedures, as determined by the Dean, adjunct professors under a current appointment shall have routine access to instructional support services which include office space, clerical assistance, and computer and facsimile services.

### **10.9 Availability for Service**

Adjunct professors must be available for service at the University during the term of their employment. Adjunct Professors are eligible to apply for unemployment on the last day of classes in the fall semester and the last day of exams in the spring semester.

## **10.10 Expectations**

Adjunct professors are expected to provide effective teaching, good representation of the University in public affairs and community activities, and maintenance of sound personal and ethical relations with colleagues, supervisors, students and the community.

**10.10.1** Collegiality at the University consists of attitudes and actions that show respect for one's faculty and staff colleagues, as well as students. A lack of collegiality can negatively impact overall performance in teaching and service. Disagreements should be expressed in a professional and respectful manner so as not to adversely impact departments, programs, students, or the University as a whole.

## **ARTICLE 11 Appointment; Course Cancellation**

### **11.1 Appointments by Course**

The Dean shall make appointments for a particular course(s) only.

### **11.2 Notification of Appointment**

An appointment is effective upon receipt of written notification of appointment from the University. Notification shall be provided as soon as feasible, but no later than the final census date of each semester as reflected in the University academic calendar. Notification shall include the beginning and ending dates of appointment, salary, the anticipated teaching assignment, as well as other conditions of employment. The University may, at the Dean's sole discretion, cancel a particular course based upon lack of enrollment or for budgetary or programmatic reasons.

### **11.4 Listing in Schedule**

The University shall attempt to send notifications of appointment in time for the adjunct professor's name to be published in the pre-registration class schedule.

### **11.5 Compensation for Course**

**11.5.1** When a course(s) to be taught by an adjunct professor is canceled twenty-five (25) days or fewer before the first class meeting in the Fall semester or fourteen (14) days or fewer before the first class meeting in the Spring semester, or seven (7) days or fewer before the first class meeting in the Summer term, the University shall pay the adjunct professor assigned to teach such a course(s) ten percent (10%) of the stipulated salary that individual was to be paid for such course(s) as compensatory salary.

**11.5.2** If a course is cancelled more than twenty-five (25) days before the first class meeting in the Fall semester or fourteen (14) days before the first class meeting in the Spring semester, or seven (7) days before the first class meeting in the Summer term, no compensatory salary is owed to the adjunct professor.

**11.5.3** When a course(s) to be taught by an adjunct professor is canceled the day before the first class meeting, the University shall pay the adjunct professor assigned to teach such a course(s) fifteen percent (15%) of the stipulated salary that individual was to be paid for such course(s) as compensatory salary.

## Appendix 4: PHP in the School of Management

### Letter of Agreement

Fall 2015

The University of San Francisco (The School of Management (SOM)) and The University of San Francisco Faculty Association - Part-Time (USFFA-PT) under the provisions of Article 24.2 of the September 29, 2015 Collective Bargaining Agreement (CBA) have reached the following understanding regarding the application of the Preferred Hiring Pool (PHP), as defined in Article 12.

This understanding bears in mind the unique requirements of the AACSB accreditation process and the maximization of the value and significance of the Adjunct Faculty to the School and its students.

It is recognized that the constraints placed on the SOM by the AACSB necessitate some specific procedures for PHP in SOM.

Therefore the following provisions are agreed upon.

(1) All the provisions of Article 12.1 and 12.2 in the USFFA-PT CBA apply, with the following amendment for the School of Management:

(a) The target date for the acceptance of application of SOM Adjuncts to PHP shall be July 1, 2016.

(2) Effective in the Fall 2016 semester Adjunct Faculty in the School of Management (SOM) will be admitted to the Preferred Hiring Pool (PHP) on the decision of the Dean of the School of Management (the "Dean").

(3) The adjuncts so admitted to PHP or PHP2 will be granted preference for teaching in the disciplines and courses for which they have established competence.

(4) In recognition of the AACSB accreditation standards under which the SOM must operate, such Adjuncts admitted to PHP or PHP2 will be evaluated by the Dean on an annual basis as to their teaching quality and the relevance of their background.

(5) By the end of the fall semester PHP's shall submit to the Dean an annual report on their teaching, academic and professional accomplishments.

(6) Should the quality of teaching and relevance of the professor's background for PHP be determined by the Dean to be inadequate, pursuant to the CBA, the PHP shall be given the opportunity to cure this inadequacy within one semester. The Dean shall meet with the PHP and they shall develop a plan for addressing the inadequacy.

(7) If the PHP does not cure the specified inadequacies, he or she can be removed from PHP status under the provisions of Article 12.10 of the CBA.

(8) No later than April 15, 2017 the parties shall reconvene to review the SOM PHP pilot program.
