Time: Enter Time Worked

INTRODUCTION

OPE Hourly staff are encouraged to enter time on a daily basis and review/submit at the end of the pay period. This job aid covers four OPE Hourly Staff time entry topics: 1) Enter Time Worked, 2) Quick Add Time; 3) Report an Absence Taken; 4) View/Update Your Time Entry.

ENTER TIME WORKED

1. From the Home Page, click the Time worklet.

2. Under the Enter Time column, select This Week.

```
Note: Entering time for This Week will be the most common practice. The Last Week option will be used to review or correct previous time reported; the Select Week option will allow you to enter a specific date to view in the calendar.
```

The calendar will open. In the top left are arrows to easily navigate to different weeks in the calendar. In the top right are real-time calculations for the time you have entered: Regular, Overtime, Overtime 2X, Paid Time Off, Comp Time (if applicable), and Total Hours.
3. Click the day in the calendar for which you would like to enter time.

4. In the Enter Time box, click the Time Type drop-down and select the appropriate Time Entry Code. You will only see Time Entry Codes available for your position: Regular Hours, or Overtime to Compensatory. In this example, we selected Regular Hours.

5. Enter the number of Hours.

   **IMPORTANT**: If you work more than 7.5 hours in a day and want the additional hours to be paid as Overtime, simply enter the total hours worked for the day and Workday will automatically calculate the overtime.

   If you are eligible to cover any day or portion of a day with Comp time, you will need to create two separate time entries: one to enter the number of Regular Hours worked; and a second to enter the number of Compensatory Hours used.

6. Click OK. The time entry will appear in your calendar with a status of “Not Submitted.” Continue entering time for the week.

7. Click Review and Submit at the end of the pay period. The entry will be sent to your manager for approval.

**QUICK ADD TIME**

1. Click the **Enter Time** button.
2. Enter the number of **Hours** for each day (each day is on a separate tab).
3. Click the **Time Type** drop-down and select the appropriate **Time Entry Code**.
4. Click **OK**. The time entry will appear in your calendar with a status of **Not Submitted**. Continue entering time for the week.
5. Click **Review** and **Submit** at the end of the pay period. The entry will be sent to your manager for approval.

**REPORT AN ABSENCE TAKEN**

You can report any day or portion of a day that you used absence hours such as Sick, Bereavement, Jury Duty, Comp Time, etc. Also, if you previously requested time off, and the request was approved, you will be able to see these entries in your calendar as well.

1. Click the day in the calendar for which you would like to use absence hours.
2. In the **Enter Time** box, select the **Time Type: Absence** (instead of Time Entry Codes).
3. Select the appropriate **Absence**. (In this example, we selected *Jury Duty*).
   **Note:** You may need to use the scrollbar on the right to see all absence types available.
4. Enter the number of **Hours**.
5. Click **OK**.
