USF School of Law
Spring 2019 – First Assignment

Course:
Legal Research, Writing & Analysis II (Sec 03, 08)

Professor:
Edith Ho

Course Materials:
Westlaw/TWEN and Lexis passwords

First Assignment:
On the last day of fall semester classes, I handed out the instructions for the training videos and quizzes on TWEN that you must complete before you do your computer training on Friday, January 11. If you have time to do them before you come back to your first week of spring classes, it will make your first week less hectic. If you have misplaced the assignment, I have posted a copy of the instructions on your LRWA TWEN site. See you in January.
