Courses & Procedure

COURSES: To earn a Public Interest Law Certificate, a student must

- 1) Complete at least 9 units of course work selected from the approved elective courses below.
- 2) Complete an Upper Level Writing Requirement analyzing an issue related to public interest law.
- 3) Complete the practicum & community service requirements as indicated on page 3 of this form.

All course work for the certificate must be taken for a letter grade except for any approved elective course in which credit/no credit grading is mandatory. For any course in which a letter grade is not provided, a "credit" must be achieved in order for the course to be applied to meet the certificate requirements. Students must achieve a grade of C+ or higher in each letter-graded course applied to the certificate and achieve a cumulative GPA of 2.70 or higher for all courses applied to the certificate. A student achieving a cumulative GPA of 3.50 or higher for all courses applied to meet the requirements of the certificate is awarded the certificate with honors.

Procedure: Indicate the letter grade and units received in the courses (below) that you wish to apply to the Certificate. Indicate “in progress” by marking “IP” for courses being taken during the current semester. **(If you indicate more than the required units of coursework, the Registrar’s Office will choose courses with the highest grades to count toward the certificate.)**

Note: the curriculum is subject to change and not all courses are offered every year.
