COURSES & PROCEDURE:

COURSES: To earn a Tax Law Certificate, a student must complete:

- 1) at least 9 units of approved course work in the subject area. The course work **must** include Federal Income Tax. Any remaining units (to reach the minimum 9 units) must be completed by taking additional core courses and/or courses from the approved tax elective courses.
- 2) a practicum requirement related to tax law.
- 3) an Upper-Level Writing Requirement analyzing an issue related to tax law.

All course work for the certificate must be taken for a letter grade except for any approved elective course in which credit/no credit grading is mandatory. For any course in which a letter grade is not provided, a "credit" must be achieved in order for the course to be applied to meet the certificate requirements. Students must achieve a grade of C+ or higher in each letter-graded course applied to the certificate and achieve a cumulative GPA of 2.70 or higher for all courses applied to the certificate. A student achieving a cumulative GPA of 3.50 or higher for all courses applied to meet the requirements of the certificate is awarded the certificate with honors.

Procedure: Indicate the letter grade and units received in the courses (below) that you wish to apply to the Certificate. Indicate "in progress" by marking "IP" for courses being taken during the current semester. **(If you indicate more than the required units of coursework, the Registrar's Office will choose courses with the highest grades to count toward the certificate.)**

Note: the curriculum is subject to change and not all courses are offered every year.
