

# Fall 2024 – Spring 2025 Priority Registration Statement

Before completing registration, student course selections should be guided by the individual and group priority systems which apply to the registration process. **Priority Groups** have been established to determine the order in which groups of students (i.e. 3FT, 2PD, etc.) can register.

## Priority Groups

**Standard Priority** With the exceptions noted below, priority for enrollment will be established by reference to the following:

- a. the number of years (not semesters) actually completed toward fulfillment of the graduation requirements:
  - i. first priority equally to third year full-time (including third-year JD/MBA), fourth year part-time and graduating ICL and IPTL LL.M. students.
  - ii. second priority to second year full-time and second and third year part-time students.

For purposes of applying the foregoing guidelines, "available seats" shall be determined by reference to the schedule of classes, i.e., the capacity of the room in which the class meets or any announced enrollment limit.

Students from the Bay Area Consortium law schools and auditors must register in person and may do so only during the Late Registration add/drop period indicated in the academic calendar.

**Multiple Section Electives and Floating Required Courses.** Where multiple section electives and/or floating required courses are offered a policy of establishing parity in enrollment size between courses in the same division will be followed.

Unless noted, graduating ICL and IPTL LL.M. students have the same registration priority as 3FT and 4PD JD students, **except for the following courses in which JDs have priority:**

Internet & IP Justice Clinic (qualified JDs will be given priority over LL.Ms)

Trial Practice

Courses required for the J.D. degree, needed for bar examination preparation, or required for bar admission

ICL and IPTL LL.M.s may **not** enroll in Legal Drafting.
