Fall 2018 Semester Loan Deferment Information
All USF students who borrow funds from the federal government are eligible to receive loan repayment deferments while enrolled in law school at least half-time. The University Registrar will send class registration confirmation to the National Student Loan Clearinghouse in mid-September AFTER our law school census date (late date to withdraw with full tuition refund less withdrawal fee). This Clearinghouse is used by all lenders to confirm your registration for the academic year. No additional forms are needed for you to complete to receive loan repayment deferments for the Federal Direct Unsubsidized Loan and Graduate PLUS Loan.

Applying for Financial Aid for the Fall 2018/Spring 2019
The Free Application for Federal Student Aid or FAFSA, for the Fall 2018 and Spring 2019 academic year is now available online at www.fafsa.ed.gov. All students who wish to receive financial aid for the 2018-19 academic year are required to complete the 2018-19 FAFSA.

It is not too late to apply for federal loan aid for the upcoming 2018-19 academic year.

You can access the FAFSA online at www.fafsa.ed.gov. Our Title IV code is 001325 and must be included in your FAFSA application.

In addition to completing a new FAFSA, those students who wish to be considered for the Graduate PLUS loan program for the Fall 2018 & Spring 2019 academic year, must also complete a new PLUS loan application for each academic year. Graduate PLUS loan applications for the 2018-19 academic year are available online at www.studentloans.gov. Students can begin applying for a 2018-19 PLUS Loan beginning in early June but only AFTER you have completed a 2018-19 FAFSA and have been offered the Federal Direct Unsubsidized Loan for 2018-19 and have “accepted” the Unsubsidized Loan online via your myUSF student portal.

Applying for Financial Aid for the Fall 2019/Spring 2020
The Free Application for Federal Student Aid or FAFSA, for the Fall 2019 and Spring 2020 academic year is now available online at www.fafsa.ed.gov

All students who wish to receive financial aid for the 2019-20 academic year are required to complete the new 2019-20 FAFSA.

The FAFSA should be completed as soon as possible but no later than March 1, 2019 in order
to receive the maximum financial aid consideration for 2019-20 (this date is especially important for those continuing students who wish to be considered for the Federal Work Study award). You can access the FAFSA online at www.fafsa.ed.gov. Our Title IV code is 001325 and must be included in your FAFSA application.

**IMPORTANT:** The 2019-20 FAFSA can be completed after March 1, and you will still be able to receive federal educational loan aid for this upcoming year. However, delaying completing your FAFSA will affect when you receive your award notice as well as your eligibility for Federal Work Study.

Financial aid awards for the 2019-20 academic year will be made available to continuing law students by early April 2019 as long as the 2019-20 FAFSA is completed and USF receives your FAFSA information by mid-March 2019. You will be sent an email notification at that time by the University Financial Aid Office indicating that you can review your financial aid award online via your myUSF online student portal.

The University Financial Aid Office will begin downloading 2019-20 FAFSA information for continuing USF students in mid-March. If you recently completed a 2019-20 FAFSA, we will not be able to verify receipt of your 2019-20 FAFSA until that time.

In addition to completing a new FAFSA, those students who wish to be considered for the Graduate PLUS loan program for the Fall 2019 & Spring 2020 academic year, must also complete a new PLUS loan application for each academic year. Graduate PLUS loan applications for the 2019-20 academic year are available online at www.studentloans.gov. Students can begin applying for a 2019-20PLUS Loan only AFTER you have completed a 2019-20 FAFSA and have been offered the Federal Direct Unsubsidized Loan for 2019-20 and have “accepted” the Unsubsidized Loan online via your myUSF student portal.

**Important Information for 2L, 3L and 4L Part Time Students Regarding Add/Drop**

Late registration and Add/Drop began on Thursday, August 16, AFTER you may have already been processed for a financial aid refund. Adjustments to your financial aid may be necessary if any of the following situations occur during Add/Drop:

- If you were offered and “accepted” the maximum financial aid award for 20 annual units but you were registered for less than 10 units for the fall semester as of August 13, your aid refund may have been in excess of your anticipated cost of living expenses for the fall semester. If you are not planning on adding any additional units, you will be required to return the excess financial aid awarded to you since you cannot receive aid for units that you are not registered for.

- If you Add a class after your refund has been processed, you will be immediately billed for the additional units. You will need to submit a payment with personal funds to pay for the additional units (or make a personal payment using the funds you received as a refund). If you are already receiving the maximum financial aid for the semester prior to the addition of your added class, you can request additional financial aid to cover the cost of the additional units. For more information, please contact Eufemia Aquino, the Assistant Director for Law Financial Aid at eaquino@usfca.edu or call 415.422.6210.

- If you Drop a class after your refund has been processed, with the intention of adding another class with the same unit value, you must have Added and Dropped on the same day, otherwise you run the risk of a an outstanding tuition balance due on your USF student account.
• If you Drop a class after your refund has been processed, and you do not intend to add another class, you will create a credit on your USF student account. You must notify the Law Financial Aid Office immediately by contacting Eufemia Aquino, the Assistant Director for Law Financial Aid at eaquino@usfca.edu. Otherwise you will be inadvertently issued a refund for this credit, which you will be required to repay the University since you are not eligible to receive financial aid for this dropped class.

Important: The Law Financial Aid Office will conduct an audit of all Part Time students' financial aid records after the September 10 census date (last day to withdraw without penalty). If your financial aid for the fall semester is not appropriate for the unit load you are registered, we will make the necessary adjustments to your aid and you will be notified via email. Please remember that any over-award (receiving financial aid in excess of your unit load), will result in the USF Student Accounts Office returning those funds to the lender and creating a balance due on your USF student account. It is critically important that you review your student account after the census date to insure that your account is reconciled. Any unpaid balance will result in late fees assessed on your student account and a Hold placed on your student record, which will prevent you from registering for the spring semester.

Bar Loan Information
December 2018 or Spring 2019 graduating students can apply for private bar loans to help with living expenses during the February 2019 or the July 2019 bar preparation period. These loans are private lender loans subject to credit approval. Information is available at the Law Financial Aid Office or online at: https://www.usfca.edu/law/admissions/tuition-aid/jd/types-of-aid/loan-programs.
