

## ACADEMIC PROGRAM REVIEW PREPARATION CHECKLIST

This checklist details initial steps that should be taken to begin the APR and provides a detailed overview of information you will need in order to complete the self-study.

Initial	Planning			
Done	Task	Responsible Party	Timeline	Comments
	Notification of Review: academic	Dean's Office		Schedule of reviews
	program is contacted and notified of			is maintained on the
	review.			OAAS website.
	Orientation meeting with assessment			
	lead in Dean's office. OAAS may be			
	involved as needed.			
	Confirmation of lead and key faculty			
	and staff representation.			
	Create program review timeline.			
	Review APR resource page to determine			
	data sources and collect data			
	Identify potential external reviewers			
	and submit to Dean's office			
Self-St	<u>.                                      </u>			
I. Intro	duction & Mission			
Done	Task	Responsible Party	Timeline	Comments
	Review program description and			
	program learning outcomes. Ensure			
	they are accurate in the catalog and on			
	website.			
	Review program mission statement			
	and/or goals. Ensure it is accurate in the			
	catalog and on website.			
	Review past program reviews and			
II Evid	actions taken as a result of the review.	Dodonomi		
	ence of Educational Quality – Curriculum 8  Task		Timeline	Commonts
Done		Responsible Party	Timeline	Comments
	Ensure curriculum in catalog/website is			
	accurate.			
	Gather curriculum map and update as necessary.			
	Review university credit-hour policy and			
	ensure all courses are in compliance.			
	Gather curricula for programs at peer institutions.			

Updated Spring 2025 -1-

II. Evid	ence of Educational Quality – Curriculum 8	k Pedagogy		
Done	Task	Responsible Party	Timeline	Comments
	If discipline has professional standards or curriculum requirements (such as for licensure) gather these standards.			
	Gather course/teaching evaluations.			
	Gather admission and transfer policies.			
	Gather course syllabi.			
	Gather changes to curriculum made through curriculog since the last program review.			
II. Evid	ence of Educational Quality – Assessment of	of Student Learning		
Done	Task	Responsible Party	Timeline	Comments
	Gather all annual assessment reports, rubrics used in the assessments, and action plans completed since last program review.			
	Review annual assessment reports completed since last program review for "closing the loop" examples, examples of how curriculum has been revised as a result of assessment, and how assessment has impacted student learning.			
	Gather any minutes from annual assessment meetings that may provide insight into the annual assessment process/outcomes.			
	ence of Educational Quality – Core Gradua			
Done	Task	Responsible Party	Timeline	Comments
	If an undergraduate program, map courses to core competencies.			
	If an undergraduate program, gather results of core graduation competency assessments since the last program review.			
II. Evid	ence of Educational Quality – Student & Al	umni Success		
Done	Task	Responsible Party	Timeline	Comments
	Gather graduate employment data.			
	Gather data on graduate further education.			

Updated Spring 2025 - 2 -

II. Evidence of Educational Quality – Student & Alumni Success					
Done	Task	Responsible Party	Timeline	Comments	
	Gather graduating student and alumni satisfaction survey results since the last program review.				
	Collect employer satisfaction data.				
	Collect evaluations of student performance from internship/practicum sites.				
	Research and gather information on student/alumni achievements.				
	Collect any survey data in support of student success.				
II. Evid	ence of Educational Quality – Student Supp	oort			
Done	Task	Responsible Party	Timeline	Comments	
	Gather any data from student surveys regarding quality and effectiveness of advising, academic support, and student satisfaction.				
	Collect information about how fieldwork/internships are supported.				
	Gather student program handbooks.				
	Gather any evidence of student involvement in policy & operations (e.g., student membership on committees).				
	Collect any policies or guidelines on student advising in the program.				
	Gather any information on tutoring and student support services.				
	Gather student program orientation materials.				
	Obtain information on financial support for students in the program (scholarships, fellowships, teaching assistantships, etc.).				
	Gather information about student clubs and organizations.				
II. Evid	ence of Educational Quality – Co-curricular	<u> </u>			
Done	Task	Responsible Party	Timeline	Comments	
	Create list of all co-curricular activities that are integrated into the program.				

Updated Spring 2025 - 3 -

Done Task	II. Evidence of Educational Quality – Faculty Activity & Expertise					
demographic information, FT/PT status, rank, tenure status, highest degree earned and graduating institution, areas of expertise and/or research interests, achievements such as peer reviewed scholarship, grants, awards, etc. since last program review, service contributions, links to community (i.e. service on community boards & commissions) and courses taught and number of units.  Collect list of faculty and courses taught including number of units.  Collect faculty CVs and update as necessary.  Gather policies on how teaching assignments are made.  Gather any polices related to expectations of faculty research output.  Gather faculty hiring policies.  Gather information/policies on formalized faculty mentorship programs.  Research faculty achievements in like programs at other institutions.  Obtain faculty peer evaluations and self-reviews.  Gather information regarding faculty collaborations with other departments/programs at USF.  Gather information on faculty development opportunities/resources. Include policies and budget.  Obtain faculty governance				Timeline	Comments

Updated Spring 2025 - 4 -

II. Evidence of Educational Quality – Faculty Activity & Expertise				
Done	Task	Responsible Party	Timeline	Comments
	Obtain department/program and			
	university organizational charts.			
	Gather faculty advisee and teaching load.			
	Gather faculty committee lists.			
II. Evid	ence of Educational Quality - Staff			
Done	Task	Responsible Party	Timeline	Comments
	Obtain list of program staff include: title, years in position.			
	Gather staff CVs.			
u	Gather staff development policies.		0.5 ::::	
	ence of Educational Quality – Technology,			
Done	Task	Responsible Party	Timeline	Comments
	Obtain list of relevant library holdings.			
	Obtain/create list of any program specific technologies used.			
	Obtain information from IT/ETS			
	regarding computer hardware and software used in program/accessible to students.			
	Obtain results of any student surveys regarding technology or facilities related to the program.			
	Map of facilities.			
	Gather information about IT support for students, staff, faculty, and librarians.			
III. Dive	ersity			
Done	Task	Responsible Party	Timeline	Comments
	Gather student, faculty, and staff diversity data.			
IV. Pro	gram Demand & Sustainability			
Done	Task	Responsible Party	Timeline	Comments
	Gather data/market research that supports program demand and need for the program.			
	Conduct research/gather information on status of discipline, emerging trends/issues, and viability of program from an external standpoint.			

Updated Spring 2025 - 5 -

IV. Reflections, Vision, & Plans for Improvement					
Done	Task	Responsible Party	Timeline	Comments	
	Conduct a SWOT analysis of the program.				
	Research changes in teaching, research and service in the field since the last program review.				
	Research changes in relationship between the field and other related fields since the last program review.				
	Research likely changes in discipline in the next 5-10 years
