Dear Colleagues,

In our 10-year reaccreditation, the **WASC Senior College and University Commission recommended that USF take a number of actions**, including, “Develop a formal deliberative body, independent of the Faculty Association Policy Boards, to establish shared governance that will improve lines of communication and ensure participatory decision-making.”

As we continue the conversation about how best to implement this recommendation, faculty and staff are invited to bring questions and suggestions to this open forum.

What are next steps in academic shared governance at USF?

Please join Provost Don Heller and Senior Vice Provost for Academic Affairs Shirley McGuire at the next VP Forum:

Monday, Oct. 7
9–10:30 a.m.
McLaren 250

Sincerely,

Paul J. Fitzgerald, S.J.
President
