

2020-2021 Enrollment Adjustment Appeal

USF Student ID Number (CWID) _____

Enrollment Change Timeline

- The last day to add a course is the Monday in Week 2 of the term
- The last day to drop a course is the Friday in Week 3 of the term.
- The financial aid enrollment lock will happen on the Saturday of Week 3 of the term.

The financial aid award will not be adjusted for any enrollment status changes after the enrollment lock date, unless an enrollment adjustment appeal is approved by the appeals committee. The appeals committee will meet twice a month, so the response time will be three weeks from your submission date.

Once we review your appeal and determine whether an adjustment can be made, we will notify you of the outcome. If changes are made to your financial aid package due to the enrollment change, you will receive a revised award email notification.
