Full Name \_\_\_\_\_

USF Student ID # \_\_\_\_\_

If you are awarded a Cal Grant award for the 2024-2025 academic year, you have the option to use a portion of your Cal Grant eligibility towards the summer 2025 semester. It is important to note that using Cal Grant for the summer semester will reduce your remaining eligibility by one semester. This may affect your ability to use Cal Grant to cover your duration of your degree. To review your remaining Cal Grant eligibility and other information about your award, please log in to your Webgrants 4 Students portal at <https://mygrantinfo.csac.ca.gov>. You may meet with your academic advisor to develop an educational plan to ensure on-time completion of your degree.

To be eligible for a summer Cal Grant, you must meet the following requirements:

- Enrolled as an undergraduate student
- Enrolled in at least 6-units
- Must have remaining Cal Grant eligibility

The amount of your summer Cal Grant is determined by your enrollment status. Please note that your award amount may be reduced if you have less than 50% of your eligibility remaining. The award amount cannot exceed your total tuition and fees billed minus other tuition only resources.
