An account username and password used to log in to all Federal Student Aid products and tools on StudentAid.gov.
Federal Student Aid ID (FSA ID)
FSA ID Without An SSN

Starting in December 2023, parents will be able to get an FSA ID (account username and password) without having an SSN to access and complete their sections of the 2024-25 FAFSA form.
On the 2024-25 FAFSA Form, if the parent is completing their own section and doesn't have an SSN, the SSN will be blank and disabled. If the parent has an Individual Taxpayer Identification Number (ITIN) they should add it to the FAFSA form. If they don’t have an ITIN, they should leave that question blank.
What if you forget your FSA ID?

To reset your password, you will need to have access to the verified email, or verified phone number used when creating your FSA ID.

How are you ensuring that you will have access to this information in the future?

- e.g. Password manager
  - FSA ID
  - Verified email
The 2024-25 FAFSA will be available to students and families by December 31, 2023.

Streamlined the application process.
- Reduced the number of questions from 108 to 46.
- Add up to 20 colleges to the FAFSA.

- When consent and approval is not provided, manual entry of financial information is required and the student is ineligible for federal student aid.
- Warning messages will appear to contributors regarding federal student aid ineligibility.

You did not agree to the terms on this page. The student will not be eligible for federal student aid, including grants and loans, if you don’t agree to the terms.

Select “Provide Consent” to provide your consent.
Your Finances

The FAFSA® form helps determine your ability to pay for school. In this section, we ask about your financial information.

What if you have special financial circumstances?

⚠️ The Student Will Be Ineligible for Federal Student Aid
