April 24, 2019, 3pm-4:15pm, MH 405

Present: Ding, O'Meara, Gonzales, Roberts, Connor, Green, Camara

Absent: Hudson, Walshe, Al-Abdullah

Agenda & Minutes

1. Suggested Actions for submitted Aol Reports. Please review the attached reports and come with any suggestions you may have to improve or help in future assessment of that LO.
 - a. Domain Concept Report: Break out number of correct questions in addition to listing percentages.
 - b. CBE – give pre-test earlier, freshman or sophomore year. Better indication of growth over duration of being a student
 - c. BSM LOs. Some discussion over small sample pool
 - d. EMBA LO7 – Suggest flipping rubric for consistency with other reports.
 - e. MSFA 3-3 – Add suggested actions. See if Prof. Ktsanes can provide grading rubric.
 - f. MSFA 1-2 – Add suggested action to provide assignment in writing. Useful to add rubrics and measurement standard.
 - i. What scores meet expectations?
 - ii. Have multiple questions to address all of the concepts that the LO covers
 - iii. Include note that this assessment only tests the macro trait of the LO.
2. MBA Rubric workshopping. To help facilitate next fall's MBA assessment, we will prepare draft rubrics.
 - a. Committee reviewed Rubric for LO6 (Critical Thinking). Kim Connor offered to work further on this with Diane. LO can be assessed in Prof. Connor's fall Ethics course in the MBA program
3. Check in on In-progress assessment (MSOD, MSFA).
 - a. We did not discuss this item.
4. Next AY Assessment (checklist attached, feel free to discuss with your respective departments.)
5. AACSB White paper that Dean Davis forwarded. Quick group discussion. Any concerns?
