Updates

What has the council been working on?

The Staff Council is undertaking various projects.

- The council requested that staff have constituency representation at the Board of Trustees meetings, but were initially denied. We have requested additional information as to why we were denied and are awaiting further feedback.
- The council is discussing how to best recognize past staff milestones, given that staff Service and Merit Awards have not been awarded in the past two years since the pandemic.
- We are initiating conversations around reported difficulties with the Digital GET Mobile App in accessing buildings, as well as looking into why physical One Card replacements are not always granted.
- The council hopes to address cost of living expense increases and the impact of such increases on staff.

Improvements to the Staff Council Website

Staff members may now submit comments, questions, and concerns through the **Staff Council website**. Please **go here** to submit any comments. The council values all staff input!
