Pre-licensure Programs  
School of Nursing and Health Professions*

## Change the World from Here

◆Preparing health professionals who provide a moral compass to transform health care in order to promote equity and positively influence quality, delivery, and access to care.

USF Advantage - Higher Standard - Passion for Justice

◆The mission of the School of Nursing and Health Professions is to advance nursing education within the context of the Jesuit tradition:

Diversity - Social Justice - Leadership - Cura Personalis - Magis

# First Semester Courses (17 Credits Total)

---

- **NURS 120 Nursing in the Jesuit Tradition I** (1 credit)
- **Two** of the following **clinical pre-requisite** course sequences (4 credits each: 8 credits total); note: you must register for both the lecture and lab at the same time, as they are co-requisites (you will not be able to register for one without the other):
  - **BIOL 113/114 Anatomy + Lab**
  - **BIOL 115/116 Physiology + Lab**

OR

- **BIOL 134/135 Microbiology + Lab**
- **PSYC 101 General Psychology**

**Note: Anatomy and Physiology must be taken together during the same semester.**

- **Written Communication course** (4 credits)
- **Core Course** (4 credits)

# Important Notes

---

- Must register for lecture and lab at the same time for BIOL courses.
- PSYC 101 classes have limited seats for non-PSYC majors; if you are unable to register for one section, try another.
- Regarding **PSYC 101 General Psychology\*** (4 credits): \*If you have transfer credit or AP credit (Must have AP Psychology score of 4 or higher), you can register for another core course and take Microbiology this Fall 2023 (review your Webtrack tutorials re: the core curriculum and how to find core classes.) If you have taken the AP Psychology exam but do not yet have your score, you can register for Anatomy and Physiology in Fall 2023 and then register for PSYC 101 and Microbiology in Spring 2024 if you do not receive AP credit.

# Important Notes

---

- For your **Written Communication pre-requisite course**, please complete the [Directed Self-Placement](#) for Rhetoric - **Most students will take RHET 110.** NOTE: **We strongly encourage students not to register for Rhet 106 or RHET 106N.** If you have questions about this course, please reach out to our team directly via email as it may impact your future core load.
- For questions about transfer credits, please submit a [Transfer Credit Request](#) form. Students can email [transfercredit@usfca.edu](mailto:transfercredit@usfca.edu) to follow up. Prior to registration, students should submit their official transcript(s) for evaluation to: Office of the Registrar, LM 217, University of San Francisco, 2130 Fulton Street, San Francisco, CA 94117-1080
- Any AP or transfer credit that does not fulfill a core course will be counted as elective credit. Please check the bottom of your [degree evaluation](#) under "open electives" to verify.

# Answers to Common Questions

---

- Most students take 17-18 credits
- Health Requirements due August 1, 2023
- Be sure to take the DSP for Rhetoric **no later than June 14**
- Beginning Fall 2023, all coursework must be taken at USF - USF will not accept outside transfer credit after the start of Fall 2023
- Do not register for any Core E courses other than PSYC 101 and Sociology
- We encourage you to attend tomorrow's REG 101 webinar (Wednesday, June 7 at 5 pm), as it will review how to register, look up classes, etc.:  
<https://myusf.usfca.edu/webtrack/advisingweb>

A recording of this webinar will be included at the link above.

# Contact Information

---

If you have any remaining questions, you can sign up for an advising appointment. You can sign up for a post-registration phone advising appointment or email correspondence for one of the following dates: June 22, 23, 27.

**Please complete this form to sign up for post-registration advising:**
