UNIVERSITY OF SAN FRANCISCO | Educational Technology Services

This May and June, Educational Technology Services is sponsoring a three-day tech intensive program to introduce course design and instructional technologies to full-time and adjunct faculty. The goal of the program is to provide an opportunity for faculty to learn about technologies that may address an instructional challenge experienced in one or more courses.

Apply by May 1 »

Selected participants will receive a $750 stipend, agreeing to attend three consecutive days of training from **10 a.m.–3 p.m., May 30–June 1 OR June 6–8,** as well as lunchtime gatherings in August and December. Workshop and follow-up luncheon participation is mandatory.

Workshop Topics:

- Course Redesign
- Flipped Classroom
- Active Learning
- Hybrid Instruction

Technologies Being Used:

- Canvas
- Echo360 Classroom Capture and Personal Capture

- Poll Everywhere
- Zoom
- Adobe Spark
