Highly Trained Fraud Resolution Specialists

The highly trained Fraud Resolution Specialists are both certified under the Fair Credit Reporting Act (FCRA) and certified as Interviewers under the FCRA, or are licensed attorneys.

ID Theft Emergency Response Protocol

The Fraud Resolution Program is a confidential and easily accessible service that provides an administrative structure for dealing quickly and effectively with ID theft concerns. By simply contacting CONCERN, the member will receive a free 60 minute telephonic consultation with a trained and experienced Fraud Resolution Specialist.

When a member contacts CONCERN and informs the FRS of an ID theft event, the FRS will assist with the following seven emergency response activities.

1. Provide the member with a Uniform ID Theft Affidavit, answer any questions with regard to completing the affidavit, and counsel the member on submitting the affidavit to the proper authorities, credit reporting agencies, creditors, and collection companies.

2. Furnish the member with separate fraudulent account forms or letters for itemizing each fraudulent occurrence and advising the member on where to submit those forms and letters.
3. Direct the member on where to report the fraudulent activity and how to notify the local and federal authorities, as well as the fraud departments of the member’s creditors.

4. Furnish the employee/member with the contact information for the three major Credit Reporting Agencies: TransUnion, Experian and Equifax.

5. Advise the member how to obtain a free copy of the member’s credit report now and every four months thereafter, and how to place a Fraud Alert and/or Credit Freeze on the member’s credit file.

6. Provide the member with an ID Theft Emergency Response Kit.

7. Educate the member on how identity theft occurs and inform the member of protective measures to take to avoid further ID theft occurrences and resulting damage to the member’s credit history and credit score.

**ID Theft Recovery Services for ID Theft Victims**

If a member becomes a victim of ID theft, CLC provides a comprehensive identity recovery service to work with creditors, collection companies, collection law firms and credit reporting agencies (TransUnion, Experian, Equifax). Under a Limited Power of Attorney granted by the member, the FRS will serve as the member’s personal advocate in representing the member in disputing and clearing up fraudulent or incorrect claims and credit records.

The recovery process usually consumes significant amounts of person time and effort in trying to figure out what to do and how to deal with creditors and collection firms. These interactions are generally confrontational in nature and are extremely uncomfortable for most victims. Many victims simply give up and pay debts that are not theirs in order to protect their credit scores. Unfortunately, the first loss is rarely the last, and additional fraudulent claims will follow until the correct steps are taken.

**CLC’s standard Fraud Recovery Service is provided on a fixed fee basis ($750) for one year and does the following:**

- **standard case pricing, 1-3 creditors.**

**Note:** Pricing for extreme victim cases will be quoted and managed on a case-by-case basis at the discretion of CLC.

1. **Provides 24/7 identity monitoring benefits** to report suspicious activity involving a member’s name, Social Security Number (SSN), address, and DOB, or combinations thereof. The member is notified by email to contact CLC for high risk activity involving this private information. (Member authorization is required.)

2. **Sends monthly risk scores** (low, medium or high) by email to the member and provides personalized counseling assistance for any questions regarding the score and what preventative action needs to be taken.

3. **Unlimited Fraud Resolution and Recovery services** to represent the member in dealing with creditors, collection firms, and Credit Reporting Agencies in restoring the member’s stolen identity. (Limited Power of Attorney is required.)

4. **Free 60 minutes of telephone consultation with a Financial Counselor** to assist the member with strategies to rebuild damaged credit.

5. **Free 60 minutes of consultation with an attorney** if legal services are needed. After the free initial consultation, the attorney can be retained at a 25% discount off the attorney’s standard fixed or hourly fees. (Member is responsible for all court costs.)
