COMMENCEMENT

School of Law

VISION, MISSION, & VALUES OF THE UNIVERSITY OF SAN FRANCISCO

VISION

The University of San Francisco will be internationally recognized as a premier Jesuit Catholic, urban University with a global perspective that educates leaders who will fashion a more humane and just world.

MISSION

The core mission of the University is to promote learning in the Jesuit Catholic tradition. The University offers undergraduate, graduate and professional students the knowledge and skills needed to succeed as persons and professionals, and the values and sensitivity necessary to be men and women for others. The University will distinguish itself as a diverse, socially responsible learning community of high quality scholarship and academic rigor sustained by a faith that does justice. The University will draw from the cultural, intellectual and economic resources of the San Francisco Bay Area and its location on the Pacific Rim to enrich and strengthen its educational programs.

VALUES

The University's core values include a belief in and a commitment to advancing:

1. **The Jesuit Catholic Tradition** that views faith and reason as complementary resources in the search for truth and authentic human development, and that welcomes persons of all faiths or no religious beliefs as fully contributing partners to the University;
2. **The Freedom and the Responsibility** to pursue truth and follow evidence to its conclusion;
3. **Learning** as a humanizing, social activity rather than a competitive exercise;
4. **A Common Good** that transcends the interests of particular individuals or groups; and reasoned discourse rather than coercion as the norm for decision making;
5. **Diversity of Perspectives**, experiences and traditions as essential components of a quality education in our global context;
6. **Excellence** as the standard for teaching, scholarship, creative expression and service to the University community;
7. **Social Responsibility** in fulfilling the University's mission to create, communicate and apply knowledge to a world shared by all people and held in trust for future generations;
8. **The Moral Dimension** of every significant human choice: taking seriously how and who we choose to be in the world;
9. **The Full, Integral Development** of each person and all persons, with the belief that no individual or group may rightfully prosper at the expense of others;
10. **A Culture of Service** that respects and promotes the dignity of every person.

American Flag

USF's ROTC Color Guard proudly presents the American flag flown over the United States Capitol on the day of Pope Francis' historic address to a Joint Session of Congress, September 24, 2015. On that inspiring day, Pope Francis renewed the faith of Catholics worldwide and inspired a new generation, regardless of their religious affiliation, to be instruments of peace. He reminded us of our sacred and inescapable responsibility to those struggling to escape poverty, persecution and war. He challenged us to rescue our planet from the climate crisis that threatens the future of our children and the health of God's creation - and to do so in a way that is sensitive to the needs of the poor. He urged us to live our values and reach beyond our divisions.
