

**Referendum to establish the
University Budget Advisory Council Representative as an official position
Resolution 20-21-09**

Whereas: there currently exists an At-Large ASUSF Senate position titled “University Budget Advisory Council (UBAC) Representative;” and

Whereas: UBAC is the university body that aims to educate the community about the university's budget process and recommend to the cabinet decisions about tuition and fee increases, enrollment targets, and resource reallocation; and

Whereas: UBAC is comprised of representatives from the staff, faculty, students, and administration of the University; and

Whereas: there are only two student representatives on the council, (one from ASUSF and one from GSS– to be worded better); and

Whereas: the major responsibilities of the ASUSF representative pertain to advocating for the undergraduate student population during UBAC meetings; and

Whereas: a permanent position would assist long-term student representation in university budget decisions as well as an increased interest towards said position;

Whereas: an appointed representative by the ASUSF President would allow selections based on background and records of candidates.

Therefore, be it Resolved by the Associated Students of the University of San Francisco Senate in its role as the sole representative body of all the undergraduates students of the University of San Francisco, that the following be enacted: the At-Large University Budget Advisory Council Representative be made a permanent position in ASUSF Senate effective in the Spring Dons Elections 2021; furthermore, be it
