## Student storage needs are growing during the COVID-19 pandemic

COVID-19 has impacted every facet of society – and school is no exception. As more post-secondary education moves online, students will need to be flexible with rental properties and dorm rooms. Storage solutions are now in demand throughout the school year, not just when summer break hits. FindStorageFast is a free online resource that helps students find trusted, affordable storage options fast.

We've been lending our services to university and college students for over a decade to make searching for and booking storage easier than ever.

## The World's Largest Online Marketplace for Storage

FindStorageFast has partnered with thousands of trusted storage partners to bring students the most storage options at the best prices.

FindStorageFast provides unbiased results and simple storage solutions at your students' fingertips.

- > Mobile search-friendly - Perfect for securing last-minute storage
- > Fast and free service for students and parents
- > Exclusive storage and moving deals
- > Incredible long or short-term storage solutions throughout North America
- > No-hassle service - We don't solicit students; we're just here to help!

In these uncertain times, partner with the experts and let us help your students FindStorageFast!
