

## AoL Committee Meeting

March 19, 2025, 1:00p-1:30p, (hybird, MH 230 + zoom)

Present: Burns, Du, Hudson, Koeplin, Sangari, Yildiz, Green, Masterson, Camara

Absent: Shukla

*As a reminder, the committee is focused this year on assessment for the BSBA program and the newly developed Learning Competencies*

### **BSBA Learning Competencies**

#### **Learning Competency 1: Inclusive Collaboration**

Students gain skills to communicate effectively, include diverse perspectives, and build relationships with others to reach common goals.

#### **Learning Competency 2: Critical Thinking**

Students learn to critically gather, analyze, and synthesize information for the application and dissemination of knowledge.

#### **Learning Competency 3: Effective Problem Solving & Decision Making**

Students apply their knowledge to formulate clear problem statements, generate ideas within constraints, and implement the most effective solutions to achieve desired results.

#### **Learning Competency 4: Positive Business Impact**

Students learn how to leverage business principles to meet social, economic, and environmental needs.

#### **Learning Competency 5: Continuous Learning & Development**

Students develop an intrinsic interest in learning and build skills for professional growth throughout their careers.

### **Meeting Summary:**

#### **Group report-out on assignments and student samples for assessment**

- **Group A** [Koeplin & Burns]: LC 1
  - Will focus on samples from BUS 308 and 304
  - Koeplin and Burns will conduct assessment and recruit one other faculty member to also assess student work.
  - Student samples will be collected by Friday 3/21. Work will be scored by Friday 4/4.
  
- **Group B** [Sangari & Yildiz]: LC 2 and 3
  - Will review data and draft reports.
  - Need to ask one evaluator to redo scoring (not enough data)
  - Will provide a few summative sentences about what the data says about student learning.
  - Will possibly present completed reports at the next UPC meeting 3/31 for discussion.
  
- **Group C** [Du & Hudson]: LC 4 and 5
  - Collecting samples from BUS 308 and 304, and 403.

- Hudson & Du will score student work, hopefully on same timeline as LC 1 with work scored by 4/4/25.
- All members to consider where else data about BSBA student learning can be shared
  - BSBA redesign team?
  - FT faculty meeting?

*Note: All new/revised rubrics can be found in the [shared drive](#).*
