CHANGE THE WORLD FROM HERE

Get to Know Us

As we aim to connect and communicate more openly with our campus community, we would like to introduce the Staff Council to you in more detail. Our goal is to create a better dialogue between staff and leadership. For this purpose, an inaugural Staff Council Steering Committee was created in 2020, and the bylaws were adopted by 2021.

Some Facts About Us:

- Currently, we have **20 representatives** (comprised of both represented and non-represented staff members)
- And **four executive board members**, whom we introduced in last month's newsletter
- Our president represents the staff during the Board of Trustees meetings, and presents at the end of the year on the state of the staff.
- We have **six subcommittees**:
 1. Inclusion, Diversity for Education and Accountability (IDEA)
 2. Campus Accessibility and Safety
 3. Professional Development
 4. Awards & Recognition
 5. Elections & Governance
 6. Communications

We will be introducing our subcommittees to you in more detail in upcoming newsletters.
