COVID-19 FAQ

As the COVID-19 pandemic continues to evolve, it's important to stay up-to-date on immigration information related to your international student status. In an effort to answer your questions related to a variety of topics including visas and travel, online classes, and work authorizations, ISSS has created and continues to update our **COVID-19 FAQ**. Check out the ISSS website and stay informed!

MyISSS Student Portal

Last semester, ISSS launched a new platform, **MyISSS**! MyISSS allows students to submit requests to ISSS and view information and announcements from our office. Students can also use this page to view the status of their current requests and view all past requests submitted through the portal. Please note that ISSS longer accepts requests through our former online request system. To log into your MyISSS account, follow the **MyISSS link**. Once you are in the portal, you can view your personal information, see your ISSS adviser's name, and submit a request. For additional information, please view the **MyISSS Portal Handbook**.
