Food Pantry Expectations and Frequently Asked Questions

How can I be respectful of other patrons at the pantry? What should I expect when waiting to use the pantry?

Please do not save spots in line for others. Your place in line is yours only.

If a line forms at any time before or during the pantry, be aware of those already in line. Please find the end of the line and join there.

Wait for the volunteer or staff member checking patrons in to welcome you into the pantry. We send patrons in 4-6 at a time.

Please be patient! We strive to be as efficient as possible with the operation of the food pantry. If you are concerned about the availability of specific items or the amount of time that you are able to wait in line, please reach out to the Food Pantry team via email or by phone to speak with us about solutions.

What do I need to bring with me to the pantry?

We ask students to please bring their own bags to collect items in.

A phone that can scan a QR code. If you do not have a phone that can scan a QR code, please be prepared to share your student email address with the pantry team.
