November 2021

To: US Consulate Officers and US Customs and Border Protection  
Regarding: USF Spring 2022 Semester, Visa and Travel Support

To Whom It May Concern:

This letter is to verify that our student with an initial status I-20 is a student at the University of San Francisco (USF) studying in one of our degree programs. The **USF Spring 2022 semester activities began between 01/20/2022 and 01/28/2022**. Due to continued travel and visa delays, we expect students to arrive within 30 days of their I-20 start date.

The University of San Francisco is conducting the Spring 2022 semester in a hybrid format with most classes having an in-person component. All new international students who enter the US for the Spring 2022 term will enroll in a schedule that is not 100% online. USF students will meet the requirements outlined in the SEVP Guidance for the COVID-19 emergency.

Due to delays at the US Consulates and in travel, USF is allowing our students to arrive after their I-20 start date. If the student experiences extensive delays we will need to provide them with a new I-20 with an adjusted start date for the Spring semester.

We appreciate your attention to this visa request. Should you require any further information, please do not hesitate to contact me at (415) 422-2654 or [iss@usfca.edu](mailto:iss@usfca.edu). Thank you for your time and assistance.

Sincerely
