Welcome to Advanced Legal Research!

There is no required textbook for this course. All course materials will be provided in class or via the course Canvas site (available 8/17).

Optional: The Bluebook, A Uniform System of Citation (21st ed. 2020). You should already have a copy of either the 20th or 21st edition of the Bluebook from your LRWA class. If you have the older edition, it should be sufficient for our class exercises and there are copies of the new edition available in the library on Open Reserve.

Prior to our first class meeting (Monday, August 24 at 10:30 a.m. in Zief 105), please complete the activities in the First Assignment module on our course Canvas site (pre-class survey, reading, research-platform registration).
