This is a brief description of the Student Health Plan. The plan is available for University of San Francisco students. The plan is insured by Aetna Life Insurance Company (Aetna). The exact provisions, including definitions, governing this insurance are contained in the Certificate issued to you and may be viewed online at **www.aetnastudenthealth.com.** If there is a difference between this Plan Summary and the Certificate, the Certificate will control.

Your Benefits Travel with You

Aetna Student Health offers Aetna's broad network of In-network Providers. With over 1 million network providers nationwide, our plans go where you go. Your Plan covers services by in-network providers in your Service Area which means wherever you are located at the time services are needed. Visit **DocFind** to find those providers in your Plan's network.

If you are traveling abroad and need travel immunizations, most are covered under the Medical Plan Benefit. If you need medical services while abroad, you will need to pay out of pocket and submit for a reimbursement. Fill out the **claim form located on the Aetna USF website** and your claim will be reviewed and processed according to the benefits of the Plan.

Even Better Access to Care at Dignity Health Medical Group (DHMG)

Health services are provided to USF students through a contractual agreement with Dignity Health Medical Foundation. Students can call or **go online to schedule an appointment** at Dignity Health Medical Group (DHMG) clinics. Plan to arrive 20 minutes prior to your scheduled appointment time or your appointment may be rescheduled.

DHMG will not charge current students the co-payment for consultations with a primary care physician. Although there is no cost to students for the office visit at the DHMG clinics located at St Mary's Office, Oracle Park Care Center and Stonestown; the student's health insurance will be billed for the office visit.

Deductible vs. Copay: What's the difference?

The USF student health insurance Plan has a deductible of $200 per policy year for In-network coverage, but also has copays for certain services. This deductible is the amount you pay each policy year for most eligible medical services or medications before the Plan begins to share in the cost of covered services. A copay is something a bit different. It is a flat fee that you pay on the spot each time you go to, for example, a physician's office visit. Both copays and payments towards your deductible count towards the out-of-pocket maximum of the Plan.

This Plan has certain services where a deductible does not apply. Covered care for Preventive care services, Physician office visits including specialists, Walk-in clinics and Urgent Care visits, Mental Health and Substance Abuse Outpatient services and Outpatient Prescription Drugs all waive the deductible.

See the Description of Benefits on page 5 for more information about the Policy year deductible waiver and where copays apply. If you have any questions on what goes towards the deductible or what a copay is for a certain benefit, please contact Aetna Student Health at (877) 480-4161.

Free Telemedicine Services Through Teladoc: Aetna's Preferred Vendor

The USF student health insurance plan offers medical, behavioral health and dermatology telemedicine visits at 100% coverage, no cost share to USF students on the student health insurance plan. To learn more about these benefits, please visit the **USF Aetna Student Health website** here**.**

Student Coverage

Required Enrollment for USF Students

The University of San Francisco automatically bills and enrolls the following students in the USF-sponsored student health insurance plan unless proof of comparable coverage is provided by the appropriate deadline.

- All domestic undergraduate students registered for 9 credit hours or more (excluding students in certificate programs or online programs).
- All domestic graduate students registered for 6 credit hours or more (excluding students in certificate programs or online programs).
- All international students and scholars registered for at least 1 credit hour or more.

International students, visiting scholars, or other students with a current passport or student visa (e.g., F-1, J-1, B-1/B-2 visa) who are temporarily located outside their home country and have not been granted permanent residency status while engaged in educational activities through their University are required to be insured under the USF insurance policy unless proof of comparable coverage is provided.

Students not automatically billed and enrolled in the USF sponsored student health insurance plan but who are actively registered in 3 or more credit hours at USF are eligible to voluntarily purchase the plan.

Students Eligible to Enroll on a Voluntary Basis

All students registered for at least 3 credit hours are eligible to voluntarily enroll in the plan for up to 1 year. Students on an official medical or academic leave of absence are eligible to voluntarily enroll in the plan for up to 1 year.

Optional Practical Training (OPT) students may voluntarily enroll in the plan for up to 1 year. Students must actively attend classes for at least the first 31 days after the date for which coverage is purchased.

Independent study and Internet classes may not fulfill the eligibility requirement that the Covered Student actively attends classes. If eligibility requirements are not met, Aetna's only obligation is to refund the premium. Once the refund is issued the student is no longer covered under the plan.

To voluntarily purchase coverage please contact Health Promotion Services at (415) 422-5797.

Voluntary enrollment will not be accepted after the enrollment deadline unless there is a significant life changing event that directly affects insurance coverage. (An example of a significant life changing event would be loss of health insurance coverage under another plan). Students should contact Health Promotion Services immediately at (415) 422-5797 for assistance.

Exceptions

A Covered Person entering the armed forces of any country will not be covered under the policy as of the date of such entry. A pro-rated refund of premium will be made for such person, upon written request received by Aetna within 90 days of withdrawal from school.

If you withdraw from school within the first 31 days of a coverage period, you will not be covered under the Policy and the full premium will be refunded, less any claims paid. After 31 days, you will be covered for the full period that you have paid the premium for, and no refund will be allowed. (This refund policy will not apply if you withdraw due to a covered Accident or Sickness.)

Medicare Eligibility Notice

You are not eligible to enroll in the student health plan if you have Medicare at the time of enrollment in this student plan. The plan does not provide coverage for people who have Medicare.

Service area

Your plan generally pays for eligible health services only within a specific geographic area, called a service area. There are some exceptions, such as for emergency services, urgent care and transplants.

Precertification

You do not need to obtain pre-certification for any services. However, your provider is required to obtain pre-certification for certain Preferred Care services. Refer to the Precertification provisions in the Coverage section of the Certificate of Coverage for a complete description of the precertification programs including the types of services, treatments, procedures, visits or supplies that require precertification. No penalty will be applied to you for a Preferred Care service that was not pre-certified.

Coordination of Benefits (COB)

Some people have health coverage under more than one health plan. If you do, we will work together with your other plan(s) to decide how much each plan pays. This is called coordination of benefits (COB). A complete description of the Coordination of Benefits provision is contained in the certificate issued to you.

Description of Benefits

The Plan excludes coverage for certain services and has limitations on the amounts it will pay. While this Plan Summary document will tell you about some of the important features of the Plan, other features that may be important to you are defined in the Certificate. To look at the full Plan description, which is contained in the Certificate issued to you, go to **www.aetnastudenthealth.com.**

This Plan will pay benefits in accordance with any applicable California Insurance Law(s).
