FAt 2018 – First Assignment

Course:
LAW 600 – Civil Procedure I

Professor:
Tristin Green

Course Materials:

First Assignment:
Welcome to Civil Procedure!

For our first class, please read pages 1-14 in the Yeazell & Schwartz casebook (the red textbook) plus any Federal Rules of Civil Procedure, statutes, or constitutional provisions referred to in the reading (you can find these in the Civil Procedure statutory/rule supplement book).

Also, be sure to choose a seat in class for our first day that you are comfortable with. Please do not sit in the last two rows of the classroom. I will pass around a seating chart so that I can get to know your names as quickly as possible.

I am looking forward to working with you all!

Tristin Green

Use of laptops and other electronic devices is not permitted during this class.
